*The Seafarers* David Horvarth,1978      **The Men-Of-War** David Armine Howarth,Edwina Currie,1979-03-01 Pictorial history and metamorphosis of maritime battleships and the development of navies examining political cultural and economic significances and motivations renowned commanders and battles and life at sea      *The Seafarers* Arthur Corbett-Smith,1919      Men-of-War; The Seafarers David Armine Howarth,1978      *An American Seafarer in the Age of Sail* Barry Richard Burg,Philip Clayton Van Buskirk,1994-01-01 Philip Van Buskirk enlisted in the U S Marines in 1846 when he was twelve years old Beginning in 1851 he recorded his thoughts and experiences on board ship providing a firsthand account of the countries he visited the brawling nation in which he lived and the everyday life and homoerotic exploits of the sailors and marines who sailed with him In this intimate portrait the author draws on Van Buskirk s unconventional and revelatory diaries and on social religious and medical writings of the time      **The Merchant Seamen's War** Tony Lane,1990      **Great Stories of World War II** Arthur Coleman,Hildy Neel,2007 These eye witness accounts written by war correspondents service men and women home front civilians and defense workers among others constitute an invaluable and underutilized resource for historians geographers and students of this great historical event      Sailors and Traders Alastair Couper,2020-02-29 Written by a senior scholar and master mariner Sailors and Traders is the first comprehensive account of the maritime peoples of the Pacific It focuses on the sailors who led the exploration and settlement of the islands and New Zealand and their seagoing descendants providing along the way new material and unique observations on traditional and commercial seagoing against the background of major periods in Pacific history The book begins by detailing the traditions of sailors a group whose way of life sets them apart Like all others who live and work at sea Pacific mariners face the challenges of an often harsh environment endure separation from their families for months at a time revere their vessels and share a singular attitude to risk and death The period of prehistoric seafaring is discussed using archaeological data interpretations from interisland exchanges experimental voyaging and recent DNA analysis Sections on the arrival of foreign exploring ships centuries later concentrate on relations between visiting sailors and maritime communities The more intrusive influx of commercial trading and whaling ships brought new technology weapons and differences in the ethics of trade The successes and failures of Polynesian chiefs who entered trading with European type ships are recounted as neglected aspects of Pacific history As foreign owned commercial ships expanded in the region so did colonialism which was accompanied by an increase in the number of sailors from metropolitan countries and a decrease in the employment of Pacific islanders on foreign ships Eventually small scale island entrepreneurs expanded interisland shipping and in 1978 the regional Pacific Forum Line was created by newly independent states This was welcomed as a symbolic return to indigenous Pacific ocean linkages The book s final sections detail the life of the modern Pacific seafarer Most Pacific sailors in the global maritime labor market return home after many months at sea bringing money goods a wider perspective of the world and

sometimes new diseases Each of these impacts is analyzed particularly in the case of Kiribati a major supplier of labor to foreign ships *Bandits at Sea* C.R. Pennell,2001 The romantic fiction of pirates as swashbuckling marauders terrorizing the high seas has long eclipsed historical fact *Bandits at Sea* offers a long overdue corrective to the mythology and the mystique which has plagued the study of pirates and served to deny them their rightful legitimacy as subjects of investigation

**Community in Argentina During the Great War 1914-1919** British Society in the Argentine Republic,1920 **Men, Masculinities and Male Culture in the Second World War** Linsey Robb,Juliette Pattinson,2017-11-04 This edited collection brings together cutting edge research on British masculinities and male culture considering the myriad ways British men experienced understood and remembered their exploits during the Second World War as active combatants prisoners and as civilian workers It examines male identities roles and representations in the armed forces with particular focus on the RAF army volunteers for dangerous duties and prisoners of war and on the home front with case studies of reserved occupations and Bletchley Park and examines the ways such roles have been remembered in post war years in memoirs film and memorials As such this analysis of previously underexplored male experiences makes a major contribution to the historiography of Britain in the Second World War as well as to socio cultural history cultural studies and gender studies **Jamaican Volunteers in the First World War** Richard Smith,2004 This study explores the dynamics of race and masculinity to provide fresh historical insight into the First World War and its Imperial dimensions examining the experiences of Jamaicans who served in British regiments Reluctance to accept West Indian volunteers was rooted in the belief that black men lacked the qualities necessary for modern warfare This combined with fears over white racial degeneration resulted in the need to preserve established hierarchies which was achieved through the exclusion of black soldiers from the front line and their confinement in labour battalions However despite their exclusion from the battlefield the author shows that the experience of war was invaluable in allowing veterans to appropriate codes of heroism sacrifice and citizenship in order to wage their own battles for independence on their return home culminating in the nationalist upsurge of the late 1930s This book offers a lively and accessible account that will prove invaluable to those studying the Imperial dimensions of the First World War as well and those interested in the wider notions of race and masculinity in the British Empire Prologue ,1973 Fair Seafarer Nancy Allen,2001-09-26 A gutsy woman s tale of marrying the Chief Mate of a mammoth containership and sailing the seas with today s modern mariners The Great World War 1914-1945:

Maritime Men of the Asia-Pacific Diane Kirkby, 2022-09-15 Winner of the Australia and New Zealand Law and History Society ANZLHS Prize for 2023 Maritime workers occupy a central place in global labour history This new and compelling account from Australia shows seafaring and waterside unions engaged in a shared history of activism for legally regulated wages and safe liveable conditions for all who go to sea Maritime Men of the Asia Pacific provides a corrective to studies which overlook this region's significance as a provider of the world's maritime labour force and where unions have a rich history of reaching across their differences to forge connections in solidarity From the militant young Australian Harry Bridges whose progressive unionism transformed the San Francisco waterfront to Australia's successful implementation of the Maritime Labour Convention 2006 this is a story of vision and leadership on the international stage Unionists who saw themselves as internationalists were also operating within a national and imperial framework where conflicting interests and differences of race and ideology had to be overcome Union activists in India China and Japan struggled against indentured labour and coolie standards They linked with their fellow unionists in pursuing an ideal of international labour rights against the power of shipowners and anti union governments This is a complex story of endurance cooperation and conflict and its empowering legacy
