The Mercedes-Benz Ponton and 190SL James Taylor, 2023-06-20 The Pontons may have been Mercedes Benz's bread and butter models of the 1950s but they were vitally important in establishing the marque as a significant player around the globe. Alongside the saloons that made Mercedes famous world wide for long lasting and economical taxis there were exotic two door cabriolet and coup derivatives and the cars basic structure was made available too for conversion into ambulances pick ups estate cars and hearses. Not always appreciated is that the 190SL sports model was also derived from the engineering of the Ponton range. The Ponton Mercedes and the 190SL have long enjoyed a strong enthusiast following around the world. Here is their story from their creation at a time when Mercedes was emerging from the devastation of war through their success during the German Economic Miracle of the 1950s to their final days in the early 1960s alongside the first of the Fintail models that would eventually replace them. No enthusiast of these widely respected cars will want to be without this book
