**The Life and Times of Jesus the Messiah** Alfred Edersheim,1912      **An Amicable Controversy with a Jewish Rabbi, on the Messiah's Coming** J. R. Park,2013-10-23 The testimony of Jesus in the spirit of prophecy Few perhaps of those who read the Scriptures are fully aware of the extent to which the language of them abounds in metaphor yet is this knowledge indispensable to the right understanding of both the Old and the New Testament and especially the prophetic parts of these books If Christ be the Messiah his kingdom is a spiritual one and what relates to it must be spiritually understood We marvel at the blindness which prevents the Jews from perceiving in prophecy the numerous intimations of a spiritual Messiah all of which appear to us to have been distinctly fulfilled in the person of Christ and yet that very blindness to their spirituality is what prevents ourselves from understanding other prophecies relating to the same subject The happy state which the world may attain to under the universal prevalence of true religion it is more easy to imagine than to describe for a volume would hardly suffice to enumerate all the blessings it is calculated to afford The cessation of foreign war with all the miseries attending it the end of all tyranny and oppression at home of injustice and misrule are the most distinctly announced and their benefit perhaps the most obvious But their influence on society is limited in comparison with the wide diffusion of happiness that would ensue from the improvement in private life and the amelioration of individual character

ark as well designed and built as it was was in itself not sufficient to preserve life It required the mighty power of God and the heavenly angels to guide and preserve the ark and its inhabitants during that fearful ordeal For this they last day scoffers evolutionists willingly are ignorant of that by the word of God the heavens were of old and the earth standing out of the water and in the water Whereby the world that then was being overflowed with water perished But the heavens and the earth which are now by the same word are kept in store reserved unto fire against the day of judgment and perdition of ungodly men 2 Peter 3 5 7 and context KJV In the imminent future we face the fearful peril of one third of the population of the earth being incinerated in a nuclear holocaust Revelation 9 14 21 also the peril of the corona of the sun going out in darkness like what happened briefly July 19 23 2013 Google dark sun and the earth s population freezing to death or the sun continuing its nova sequence scorching the earth with great heat and then going out in darkness What we desperately need now are new inventions of God the cooperation of God men and angels to preserve life in fire make the sun unnecessary flood the entire earth with light and clean energy Revelation 21 23 God has already inspired one man said of Lucifer himself to be the Everlasting Father incarnate the Messiah the Anointed One the very Christ with designs of God of inventions to preserve and restore earth to Edenic condition in this doom of fire The inventions are already roughly designed and the master builder found and educated All that is needed now are believing people donating money for these costly heavenly inventions God will not do this all by Himself He will work with us as we give our all be it little or much This book will tell all about the inventions of God for now to preserve life through fire and to make the sun unnecessary What is most needed now is belief in God s Messiahs So in this book there will not only be science and technology but theology history and prophetic evidences in favor of Messiah A and Messiah B Jesus of Nazareth and Gordon L Ziegler of Lacey Washington U S A Any and all may now make tax deductible donations to Benevolent Enterprises to actualize the divine inventions to preserve life from a holocaust of fire restore the earth and its people and make the sun unnecessary with heavenly light and heat *The Messiah in the Old and New Testaments* Stanley E. Porter, 2007-04-26 When the ancients talked about messiah what did they picture Did that term refer to a stately figure who would rule to a militant who would rescue or to a variety of roles held by many While Christians have traditionally equated the word messiah with Jesus the discussion is far more complex This volume contributes significantly to that discussion Ten expert scholars here address questions surrounding the concept of messiah and clarify what it means to call Jesus messiah The book comprises two main parts first treating those writers who preceded or surrounded the New Testament two essays on the Old Testament and two on extrabiblical literature and then discussing the writers of the New Testament Concluding the volume is a critical response by Craig Evans to both sections This volume will be helpful to pastors and laypersons wanting to explore the nature and identity of the Messiah in the Old and New Testament in order to better understand Jesus as Messiah **The Messiah Idea in Jewish History** Julius Hillel Greenstone, 1906

The Messiah William Varner, 2004-11-23 A mysterious figure called the Messiah is the central theme of the entire Bible In

this book that Messianic theme is traced from its announcement in the Old Testament through its development between the Testaments to its fulfillment in the New Testament The book also examines how Jews and Christians have continued to debate this subject down until today There are also some studies on fascinating related subjects like the location of the Temple and the ashes of the Red Heifer While these chapters have been written from a Christian perspective adequate attention has also been given to Jewish concerns The Messiah was successively revealed rejected and received This book explains how and why that happened In this book Will Varner has opened the Scripture to provide a readable clarifying look at Jesus the Messiah of Israel and the Savior of the world Jesus once asked His disciples Who do men say that I am Mark 8 27 That is still the most urgent question who is this Jesus You will find the answer powerfully and convincingly provided in this outstanding book John MacArthur Grace Community Church Sun Valley CA and President of The Master s College

**Jesus the Messiah, Biography of the Word** John R. Mitchell, 2004-09-09

**PREMISE** One worships God by recognizing that we cannot recognize God We can only recognize what He does for us We can recognize how He exists in the beauty of our world how He opens our hearts with love for our fellow man how He opens our minds to learn of Him and by His power we find meaning in our devotion to His will and purpose

**ENDORSEMENT** As a professional educator in the field of religious studies I have spent my life both as a teacher and as a student reading books about the Bible and the history of Christianity I have already read a plethora of books about the historical Jesus and his life The search for the historical Jesus has been a task taken up by many scholars during the last two thousand years and there is no sign that interest in this particular area of Biblical research is likely to wane anytime soon The difficulty I have found is that professional Biblical scholars and theologians usually consciously or unconsciously have an agenda that they wish to promote These items of agenda are fairly transparent and are easily recognizable One can often guess the conclusions of their research long before reaching the end of the book More often than not these texts are really only revisions of similar books written not all that long ago It was with more than a fair amount of skepticism that I agreed to read John Mitchell s manuscript Jesus the Messiah Biography of the Word I had only recently become acquainted with John when he informed me that he had been working on a book about the life of Jesus Expecting little more than an amateur exegete s attempt to employ some kind of simplistic critical approach to the character of Jesus as found in the New Testament I was overwhelmed by the expertise demonstrated by his writing A layman with a background in mathematics and engineering John s approach to the task of describing the life of Jesus is as refreshing as it is comprehensive I was challenged by his attention to detail and his exhaustive search for an accurate account of Jesus life and ministry His precision humbled this professional scholar and college professor I could not help but remember that God s greatest revelation did not come as a priest or scribe but as a carpenter s son from Galilee Similarly the first accounts of Jesus life came not from the established clergy but from the laity It is therefore well worth while whether you are a professional scholar or just a curious Christian to read my friend John R Mitchell s Jesus the Messiah Biography of

the Word Jon Carlock Professor of Religion and Philosophy Bethel College McKenzie Tennessee

**SUMMATION POINTS** Jesus the Messiah Biography of the Word is a simple straightforward adaptation and correlation of the Gospels of Matthew Mark Luke and John and other referencing material for research An examination of the first three known as the Synoptic Gospels agrees mostly to content and order but follow a generalized chronology The chronology for events in the creation of the Biography has been rendered to be a smooth flow between gospels Events have been added or expanded to provide the detail that must surely have taken place over the span of Jesus life The Gospel of John seems to have been written independently of the other three although John as an eyewitness filled in the details that were needed for several events Mark was not known to be a follower of Jesus during his ministry And of course Luke never saw Jesus as he was a physician in a distant city and who became a follower of Paul Paul of course was not a disciple of Jesus and it is not known if he ever saw Jesus As Jesus life and ministry of events were in a chronological order the Biography brings together the four gospels into one cohesive and suggested chronology of events Some events have

**The Messiah'S Imminent Return** DeLinda N. Baker,2017-11-13

Throughout both the Old and New Testament there are numerous prophecies pointing to the return of the Messiah in power and glory In the early church a prevailing message was Jesus's promise to return in the clouds The knowledge that the Messiah would someday return and deliver Israel and the saints from the evils of this world has been a tremendous source of encouragement over the ages The questions have been and continue to be When will Jesus return Have the signs of his return been fulfilled Is the Messiah's return imminent In this book we will explore the scriptures that outline the signs that will precede the return of Jesus Christ in power and glory In addition to looking at scriptures on the topic we will look at current and historical events that may be significant Also we will ask how this impacts Christians and how we should respond In Matthew 25 Jesus tells a parable of a bridegroom and ten virgins The bridegroom's return was delayed so that the wedding party became drowsy and fell asleep When he returned late in the night only those who were ready went with him to the wedding feast The others were left behind As Christians we need to be ready for Jesus's return Come prepared to dig deep into scriptures and look forward to Jesus's return

**The Messiah According to Bible Prophecy** Tony Alamo Christian Ministries Worldwide,1980

**Mark the Messiah's Gospel** ,2019-03-26 Mark the Messiah's Gospel is just one of the commentaries that Carroll has written on the four gospels Matthew the Hebrew Gospel Luke the Lord's Gospel and John the Jewish Gospel Mark identified as John Mark in the New Testament was writing through the inspiration of Simon Peter who had walked with the very Son of God and was the leader of the disciples Mark was writing to the Jewish and Gentile believers in Rome His gospel is the shortest of the four gospels and presents Jesus as Israel's Messiah in a fast paced action packed style

**The Jewish and the Christian Messiah** Vincent Henry Stanton,1886

**The Case for Jesus the Messiah** John Ankerberg,2011-12-03 Are there remarkable prophecies in the Hebrew Scriptures which identify a future Messiah Are these prophecies so exact that they predict specific future events such as the exact time place of birth Have these prophecies been

miraculously fulfilled If so what does this signify Could these prophecies indicate the Judeo Christian Scriptures are a divine revelation could they constitute evidence that even skeptics would have to consider In this book 3 scholars trained in apologetics comparative religion the Semitic languages the Old Testament examine the evidence for fulfilled prophecy Do you like mysteries Can you unravel from the Scriptural evidence the identity of the one predicted The authors approach to the topic is like searching for clues in a mystery novel If you have ever asked if there is evidence that reveals the reality nature of God the answers the authors have uncovered may cause you to reexamine your view of reality The Messiah's Parsha Gideon,2024-07-11 No information about the book available as of this time
