Cohen,2014-08-27 The multiple crises permeating the Middle East are teaching both the Arabs and Jews that they must strive to live together For the Arabs many elements including language religion history and culture are forcing them towards democracy more unity less conflict and greater cohesion For Israel it is proving impossible to survive as an Island in a turbulent sea of Arabs and Moslems Time has come for all to start looking in the same direction and coalesce under the same banner A united Pan Arab States is becoming inevitable Rich And Poor States In The Middle East Malcolm H.
