## **The Millennial Fables:**

**Millennial Fables**, 1994      **The Millennial Fables** Richard Gloff, 2000-03-01 Funny surreal provocative disturbing The Millennial Fables deal with our American culture at the end of the 20th century Things are different here So don't be surprised if children start to float or someone's arguing with Jesus or you come upon a mountain made of millions of discarded men What's more don't expect anything that could be called heartwarming or inspirational If anything these stories have the bad manners to laugh at all that These are graffiti on the great facade of modern liberal humanism They are devoutly heretical fantasies They are meant to unsettle and nag They are seven short stories that can only cause trouble It's been said that when reality becomes absurd satire becomes useless Then again things are different here      *The Controversy of Zion* T.W. Christie, 1894      The Oxford Dictionary of Phrase and Fable Elizabeth Knowles, 2006-10-12 This Dictionary is part of the Oxford Reference Collection using sustainable print on demand technology to make the acclaimed backlist of the Oxford Reference programme perennially available in hardback format What is a ham andegger What are Anglo Saxon attitudes Who or what is liable to jump the shark Who first tried to nail jelly to the wall The answers to these and many more questions are in this fascinating book Here in one volume you can track down the stories behind the names and sayings you meet whether in classic literature or today's news Drawing on Oxford's unrivalled bank of reference and language online resources this dictionary covers classical and other mythologies history religion folk customs superstitions science and technology philosophy and popular culture Extensive cross referencing makes it easy to trace specific information while every page points to further paths to explore A fascinating slice of cultural history and a browser's delight from start to finish What is the fog of war Who first wanted to spend more time with one's family When was the Dreamtime How long since the first cry of Women and children first Where might you find dark matter Would you want the Midas touch Should you worry about grey goo      **Holy Fable Volume IV** Robert M. Price, 2020-04-21 In this fourth volume of Robert M Price's celebrated Holy Fable series he turns his critical lens away from the Bible and toward a broader range of scriptural works that were written or rediscovered in modern times Employing the same sympathetic but eagle-eyed treatment that defined past volumes he offers in depth analysis of the Joseph Smith penned Book of Mormon the long sealed Gospel according to Thomas the New Age Jesus of the Aquarian Gospel the H P Lovecraft invented Necronomicon and the Andrew Lloyd Webber and Tim Rice rock opera Jesus Christ Superstar With his trademark scholarship and wit he demonstrates how and why this eclectic mix of contemporary scriptural work provides genuine spiritual inspiration to a colorful variety of religious groups and seekers today      **Fables of Development: Capitalism and Social Imaginaries in Spain (1950-1967)** Ana Fernández-Cebrián, 2023-05-15 An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library as part of the Opening the Future project with COPIM Fables of Development Capitalism and Social Imaginaries in Spain 1950 1967 focuses on a basic paradox why is it that the so called Spanish economic miracle a

purportedly secular rational and technocratic process was fictionally portrayed through providential narratives in which supernatural and extraordinary elements were often involved In order to answer this question this book examines cultural fictions and social life at the time when Spain turned from autarchy to the project of industrial and tourist development Beyond the narratives about progress modernity and consumer satisfaction on a global and national level the cultural archives of the period offer intellectual findings about the expectations of a social majority who lived in the precariousness and who did not have sufficient income to acquire the consumer goods that were advertised Through the scrutiny of interdisciplinary archives literary texts cinema newsreels comics and journalistic sources among other cultural artifacts each chapter offers an analysis of the social imaginaries about the circulation and distribution of capital and resources in the period from 1950 when General Franco s government began to integrate into international markets and institutions following its agreements with the United States to 1967 when the implementation of the First Development Plan 1964 1967 was completed

**John Dryden and His Readers: 1700** Winifred Ernst,2019-12-09 Dryden at the end of his life was admired perhaps even beloved by many in England and his greatest skill over his long career his controlled detachment uniquely positioned him to write of both history and politics in 1700 His narrative poetry was popular among Whigs and Tories women and men Ancients and Moderns and his imitations suggest historical connections between the War of the Roses the Civil War and the Revolution of 1688 All of these events combined easily in the minds of Dryden s contemporaries and his fables fraught with conflicted loyalties and family strife not unlike a nation divided may have caught and compelled his readers in a way that was different from other miscellanies Dryden may have articulated in beautiful verse the emotions of many in the midst of enormous historical change Fables is a pivotal cultural text urging national unity through its embrace of competing voices
