The Phial Of Dread By An Analytic:

The Phial of Dread by an Analytic Fitz Hugh Ludlow, 2004-06-01 It is as I see on looking at my last date five days since I wrote in this record I have been very ill part of the time quite delirious I think How fortunate that I have been alone Yes even if I had died alone how fortunate The red haired Denbighshire girl who brings up my meals sometimes I am quite sure knocked in vain for entrance so stertorous have been my slumbers for although she has not a command of English sufficient to communicate that fact to me I infer it from having found the salver with my food all cold upon it placed on the floor outside my room long after meal hours

The Hasheesh Eater's Companion David M. Gross, 2007-10-09 This useful companion volume to Fitz Hugh Ludlow's *The Hasheesh Eater* contains the complete text of De Quincey's *Confessions of an English Opium Eater* Bayard Taylor's *The Vision of Hasheesh* W B O Shaugnessy's *On the Preparations of the Indian Hemp or Gunjah* many additional hashish and opium related writings by Ludlow the cannabis related medical texts Ludlow relied upon during his experiments and contemporary reviews of *The Hasheesh Eater*

The Hasheesh Eater Fitz Hugh Ludlow, 2006 Fitz Hugh Ludlow was a recent graduate of Union College in Schenectady New York when he vividly recorded his hasheesh induced visions experiences adventures and insights During the mid nineteenth century the drug was a legal remedy for lockjaw and Ludlow had a friend at school from whom he received a ready supply He consumed such large quantities at each sitting that his hallucinations have been likened to those experienced by opium addicts Throughout the book Ludlow colorfully describes his psychedelic journey that led to extended reflections on religion philosophy medicine and culture First published in 1857 *The Hasheesh Eater* was the first full length American example of drug literature Yet despite the scandal that surrounded it the book quickly became a huge success Since then it has become a cult classic first among Beat writers in the 1950s and 1960s and later with San Francisco Bay area hippies in the 1970s In this first scholarly edition editor Stephen Rachman positions Ludlow's enduring work as not just a chronicle of drug use but also as a window into the budding American bohemian literary scene A lucid introduction explores the breadth of Ludlow's classical learning as well as his involvement with the nineteenth century subculture that included fellow revelers such as Walt Whitman and the pianist Louis Gottshalk With helpful annotations guiding readers through the text's richly allusive qualities and abundance of references this edition is ideal for classroom use as well as for general readers

Harper's New Monthly Magazine, 1859 *Harper's New Monthly Magazine* Henry Mills Alden, 1859 Harper's informs a diverse body of readers of cultural business political literary and scientific affairs

Pioneer of Inner Space Donald P. Dulchinos, 1998 Fritz Hugh Ludlow became the best selling author of *The Hasheesh Eater* in the years before the Civil War His best seller related his visionary experiences with large oral doses of hashish along with his religious philosophical and medical reflections on the altered states they produced He became a celebrated figure in the Bohemian circles of New York along with such friends as Walt Whitman A short story writer a drama and music critic and a journalist he mingled with the high society of New York while dissolutely wandering
