The Picture Of Dorian Gray A Moral Entertainment

Oscar Wilde, Nicholas Frankel

The Picture Of Dorian Gray A Moral Entertainment:

The Picture of Dorian Gray, a Moral Entertainment John Osborne,1973 *The Picture of Dorian Gray* John Osborne,1973 The author of *Look Back in Anger* *Inadmissible Evidence* and *The Entertainer* has created a brilliant dramatization of this classic about a man who retains his youth while the decay of advancing years and moral corruption appears on a portrait painted by one of his lovers **Picture of Dorian Gray** J. Osborne,1973 **The Picture of Dorian Gray** Oscar Wilde,John Osborne,2012-10-01 The *Picture of Dorian Gray* is a stage adaptation of Oscar Wilde's classic and controversial novel described by Osborne as a Moral Entertainment The story of a man who preserves his youth and is fêted by society while his portrait deteriorates with age and corruption [The Uncensored Picture of Dorian Gray](#) Oscar Wilde,Nicholas Frankel,2012-08-13 Over 120 years after Oscar Wilde submitted *The Picture of Dorian Gray* for publication the uncensored version of his novel appears here for the first time in a paperback edition This volume restores material including instances of graphic homosexual content removed by the novel's first editor who feared it would be offensive to Victorians [Morality and the Literary Imagination](#) Gabriel R. Ricci,2017-07-12 In a letter to Boccaccio Petrarch extolled the virtue of poetry and letters for promoting an understanding of both human nature and morals The letter was designed to console him after hearing a prediction that he was soon to die and that he ought to renounce poetry The prophecy came from an elder renowned for his piety but Petrarch admonished that too often dishonesty and fraud are couched in religious sentiments Nothing not even death according to Petrarch ought to divert us from literature For Petrarch Virgil was the source for understanding how literary studies not only promote eloquence but enhance morals If anything literature dispels the fear of death The claim of this volume is that it may be the case that the virtuous life can be achieved by those ignorant of letters but a more direct and certain route is guaranteed by a devotion to literature The collected works in this new volume of the Transaction series *Religion and Public Life* heed Petrarch's advice that literature not only orients us to life's developmental stages it can provide us with a more complete understanding of the human character while artfully advancing morals To this end Michelle Darnell's opening chapter entitled *A New Age of Reason* explains how existentialism is an argument for how literature can take on philosophical form not as formal argument but as persuasive narrative Over the objections of even those who study Sartre Darnell uses Sartre's *The Age of Reason* as a model and shows how his literary output was a legitimate philosophical inquiry In addition to the Darnell piece the volume boasts a series of outstanding and innovative works by scholars in the field Taken together as a whole these authors not only illustrate the moral consequences of an original choice but oblige the reader to explore the ramifications of such a choice in one's own life ["Like some damned Juggernaut"](#) Johannes Weber,2015-10-06 *The Picture of Dorian Gray in the Twenty-First Century* Kaye,2025 This collection of new essays devoted to Oscar Wilde's classic novel presents new critical work by prominent scholars that deal with numerous aspects of the famed novel Essays range from early literary influences on the novel and its controversial early

reception to its afterlife in literature film dance photography theatre and television In addition to considering Dorian Gray as an iconic queer work of fiction that daringly challenged late Victorian literary practices the volume explores Wilde s novel in terms of the history of the European novel and the book s innovations as a gothic supernatural work that defied the conventions of nineteenth century realism Along with striking illustrations of the novel since its publication including images from popular adaptations the volume includes never before translated early reviews of the novel in the European press along with an unpublished parody of Wilde s novel in the form of an examination paper by the English writer Max Beerbohm Edited by Richard Kaye this volume offers multiple and fascinating perspectives on Oscar Wilde s classic in fourteen highly readable essays

Oscar Wilde Norbert Kohl,2011-03-03 Professor Kohl s aim is to gain fresh insight into his literary and critical oeuvre of Oscar Wilde He analyses each of his works on the basis of a textually oriented interpretation taking equal account of the biographical and intellectual contexts through the use of contradictions that Wilde show as individualism and convention

Authors in Context: Oscar Wilde John Sloan,2003-04-10 Wit dandy literary anarchist self publicist and homosexual martyr Wilde achieved fame and notoriety at a time when mass culture and communication promoted the new in every area of British life This book examines the rich interplay between Wilde s society and his writings and shows the remarkable recontextualizing of Wilde and his work in film stage and the media in the century following his death Authors in Context examines the work of major writers in relation to their own time and to the present day Combining history with lively literary discussion each volume provides comprehensive insight into texts in their context Wit dandy literary anarchist self publicist and homosexual martyr Wilde achieved fame and notoriety at a time when mass culture and communication promoted the new in every area of British life New Women New Hedonism New Journalism New Imperialism His plays tales and critical writings questioned traditional attitudes to religion sexuality women and the home crime and punishment and the freedom of the individual This book examines the rich interplay between Wilde s society and his writings and shows the remarkable recontextualizing of Wilde and his work on stage in film and the media in the century that has followed his death
