and contexts *A Dictionary of Biblical Tradition in English Literature* David Lyle Jeffrey, 1992 Over 15 years in the making an unprecedented one volume reference work Many of today's students and teachers of literature lacking a familiarity with the Bible are largely ignorant of how Biblical tradition has influenced and infused English literature through the centuries An invaluable research tool Contains nearly 800 encyclopedic articles written by a distinguished international roster of 190 contributors Three detailed annotated bibliographies Cross references throughout **Walking with Pilgrims** Ruma Bose, 2019-09-23 This volume makes a contribution to understanding pilgrimage not as a transient activity at the margins of daily life but as an event grounded firmly in the physical symbolic and social experience of the everyday world The vital relationship between pilgrimage and society is explored via a focus on a specific pilgrimage the Kanwar pilgrimage of Bihar and Jharkhand in India and the southeast Terai of Nepal The rising popularity of this old but relatively unknown pilgrimage is striking and reflects profound changes in caste class and gender relationships subjectivity and notions of work in a modern economy Through the lens of pilgrimage and pilgrims the book explores the everyday context of life in parts of rural Bihar and southeast Nepal questions about agency and desire in Hinduism and the meaning given to symbolic life in a changing world This requires an integrative approach looking beyond the performance of the pilgrimage to the historical economic and social cultural context The volume underscores the role of popular and local history in understanding the life and popularity of a complex phenomenon such as the pilgrimage today Equal importance is given to the geography and climatic conditions for natural rhythms such as that of rains rivers planetary movements were and still are intimately entwined with the agricultural socio economic and ritual cycles The particular experience of the world that this engenders and its relationship to the pilgrimage is described through the active voice of the pilgrims and descriptions of rites some new and many fast disappearing Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka *The Collected Works of Samuel Taylor Coleridge, Volume 4 (Part II)* Samuel Taylor Coleridge, 2015-12-08 Published originally in 1809 1810 *The Friend* was revised in 1812 by public demand In 1818 a three volume rifacimento appeared in which Coleridge attempted to dispel obscurity tie up loose threads of reasoning and provide more mature aperçus Now in the *Collected Works* *The Friend* has been re edited to return to Coleridge's 1818 text His emendations cuts and marginal comments noted in six copies of the work as well as manuscript additions and deletions have been included as footnotes The editor's footnotes also elucidate sources and themes and provide translations of the many Latin and Greek passages The entire periodical *Friend* is given as an appendix with the 1812 revisions Originally published in 1969 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press
