Romantic Poetry*

NEIL FRAISTAT

The Poem And The Interpreting Collections Of Romantic Poetry

Edward Keyes Whitley

The Poem And The Interpreting Collections Of Romantic Poetry:

The Poem and the Book Neil Fraistat, 1985 The Romantic poets believed that the selection and arrangement of poems into collections were important steps in the poetic process From the works of Dante Petrarch and Milton Fraistat finds poetic precedent for the organizing principles of Wordsworth Coleridge Keats and Shelley From this background he surveys over three hundred poetic volumes published between 1790 and 1830 and finds that the diversity in each book ultimately possesses a coherent field Originally published in 1987 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **The Cambridge Companion to British Romantic Poetry** Maureen N.

McLane, 2008-09-04 More than any other period of British literature Romanticism is strongly identified with a single genre Romantic poetry has been one of the most enduring best loved most widely read and most frequently studied genres for two centuries and remains no less so today This Companion offers a comprehensive overview and interpretation of the poetry of the period in its literary and historical contexts The essays consider its metrical formal and linguistic features its relation to history its influence on other genres its reflections of empire and nationalism both within and outside the British Isles and the various implications of oral transmission and the rapid expansion of print culture and mass readership Attention is given to the work of less well known or recently rediscovered authors alongside the achievements of some of the greatest poets in the English language Wordsworth Coleridge Blake Scott Burns Keats Shelley Byron and Clare A Companion to Romantic Poetry Charles Mahoney, 2010-12-21 Through a series of 34 essays by leading and emerging scholars A Companion to Romantic Poetry reveals the rich diversity of Romantic poetry and shows why it continues to hold such a vital and indispensable place in the history of English literature Breaking free from the boundaries of the traditionally studied authors the collection takes a revitalized approach to the field and brings together some of the most exciting work being done at the present time Emphasizes poetic form and technique rather than a biographical approach Features essays on production and distribution and the different schools and movements of Romantic Poetry Introduces contemporary contexts and perspectives as well as the issues and debates that continue to drive scholarship in the field Presents the most comprehensive and compelling collection of essays on British Romantic poetry currently available **Reading Romantic Poetry** Fiona

Stafford, 2014-02-03 Reading Romantic Poetry introduces the major themes and preoccupations and the key poems and players of a period convulsed by revolution prolonged warfare and political crisis Provides a clear lively introduction to Romantic Poetry backed by academic research and marked by its accessibility to students with little prior experience of poetry Introduces many of the major topics of the age from politics to publishing from slavery to sociability from Milton to the mind of man Encourages direct responses to poems by opening up different aspects of the literature and fresh approaches to

reading Discusses the poets own reading and experience of being read as well as analysis of the sounds of key poems and the look of the poem on the page Deepens understanding of poems through awareness of their literary historical political and personal contexts Includes the major poets of the period Blake Wordsworth Coleridge Byron Shelley Keats Burns and Clare as well as a host of less familiar writers including women *Romanticism, Self-Canonization, and the Business of Poetry* Michael Gamer, 2017-02-17 This is the first book to examine how Romantic writers transformed poetic collections to reach new audiences In a series of case studies Michael Gamer shows Romantic poets to be fundamentally social authors working closely with booksellers intimately involved in literary production and resolutely concerned with current readers even as they presented themselves as disinterested artists writing for posterity Exploding the myth of Romantic poets as naive unworldly or unconcerned with the practical aspects of literary production this study shows them instead to be engaged with intellectual property profit and loss and the power of reprinting to reshape literary reputation Gamer offers a fresh perspective on how we think about poetic revision placing it between aesthetic and economic registers and foregrounding the centrality of poetic collections rather than individual poems to the construction of literary careers **Wordsworth's Poetry and Prose (International Student Edition) (Norton Critical Editions)** William Wordsworth, 2016-04-04 The most accessible edition of Wordsworth's poetry and prose prepared to meet the needs of both students and scholars This Norton Critical Edition presents a generous selection of William Wordsworth's poetry including the thirteen book *Prelude* of 1805 and prose works along with supporting materials for in depth study Together the Norton Critical Editions of Wordsworth's Poetry and Prose and *The Prelude* 1799 1805 1850 are the essential texts for studying this author Wordsworth's Poetry and Prose includes a large selection of texts chronologically arranged thereby allowing readers to trace the author's evolving interests and ideas An insightful general introduction and textual introduction precede the texts each of which is fully annotated Illustrative materials include maps manuscript pages and title pages Criticism collects thirty responses to Wordsworth's poetry and prose spanning three centuries by British and American authors Contributors include Samuel Taylor Coleridge Percy Bysshe Shelley Felicia Hemans Ralph Waldo Emerson Lucy Newlyn Stephen Gill Neil Fraistat Mary Jacobus Nicholas Roe M H Abrams Karen Swann Michael O Neill and Geoffrey Hartman among others The volume also includes a Chronology a Biographical Register a Selected Bibliography and an Index of Titles and First Lines of Poems **The Complete Poetry of Percy Bysshe Shelley** Percy Bysshe Shelley, 2005-01-21 Winners of an Honorable Mention from the Modern Language Association's Prize for a Distinguished Scholarly Edition Writing to his publisher in 1813 Shelley expressed the hope that two of his major works should form one volume nearly two centuries later the second volume of the Johns Hopkins edition of *The Complete Poetry* fulfills that wish for the first time This volume collects two important pieces *Queen Mab* and *The Esdaile Notebook* Privately issued in 1813 *Queen Mab* was perhaps Shelley's most intellectually ambitious work articulating his views of science politics history religion society and individual human relations Subtitled *A Philosophical Poem With Notes* it

became his most influential and pirated poem during much of the nineteenth century a favorite among reformers and radicals The Esdaile Notebook a cycle of fifty eight early poems exhibits an astonishing range of verse forms Unpublished until 1964 this sequence is vital in understanding how the poet mastered his craft As in the acclaimed first volume these works have been critically edited by Donald H Reiman and Neil Fraistat The poems are presented as Shelley intended with textual variants included in footnotes Following the poems are extensive discussions of the circumstances of their composition and the influences they reflect their publication or circulation by other means their reception at the time of publication and in the decades since their re publication both authorized and unauthorized and their place in Shelley s intellectual and aesthetic development

Romanticism and the Uses of Genre David Duff,2009-11-12 This wide ranging and original book reappraises the role of genre and genre theory in British Romanticism Analyzing numerous examples from 1760 to 1830 David Duff examines the generic innovations and experiments which propel the Romantic revolution in literature but also the fascination with archaic forms such as the ballad sonnet and romance whose revival and transformation make Romanticism a retro movement as well as a revolutionary one The tension between the drives to make it old and to make it new generates one of the most dynamic phases in the history of literature whose complications are played out in the critical writing of the period as well as its creative literature Incorporating extensive research on classification systems and reception history as well as on literary forms themselves Romanticism and the Uses of Genre demonstrates how new ideas about the role and status of genre influenced not only authors but also publishers editors reviewers and readers The focus is on poetry but a wider spectrum of genres is considered a central theme being the relationship hierarchical competitive combinatory between genres Among the topics addressed are generic primitivism and forgery Enlightenment theory and the cognitive turn the impact of German transcendental aesthetics organic and anti organic form the role of genre in the French Revolution debate the poetics of the fragment and the theory and practice of genre mixing Unprecedented in its scope and detail this important book establishes a new way of reading Romantic literature which brings into focus for the first time its tangled relationship with genre

Political Turmoil: Early Modern British Literature in Transition, 1623-1660: Volume 2 Stephen B. Dobranski,2019-01-31 The early modern period in Britain was defined by tremendous upheaval the upending of monarchy the unsettling of church doctrine and the pursuit of a new method of inquiry based on an inductive experimental model Political Turmoil Early Modern Literature in Transition 1623 1660 offers an innovative and ambitious re appraisal of seventeenth century British literature and history Each of the contributors attempts to address the how and why of aesthetic change by focusing on political and cultural transformations Instead of forging a grand narrative of continuity the contributors attempt to piece together the often complex web of factors and events that contributed to developments in literary form and matter as well as the social and religious changes that literature sometimes helped to occasion These twenty chapters reading across traditional periodization demonstrate that early modern literary works when they were conceived as they were

created and after they circulated were above all involved in various types of transitions American Bards Edward Keyes Whitley, 2010 Edward Whitley's book maps James M Whitfield Eliza R Snow and John Rollin Ridge prominently onto nineteenth century American poetic history as a group of poets seeking to become national bards not by embracing the traditional trappings of nationalism

This is likewise one of the factors by obtaining the soft documents of this **The Poem And The Interpreting Collections Of Romantic Poetry** by online. You might not require more times to spend to go to the ebook foundation as with ease as search for them. In some cases, you likewise do not discover the statement The Poem And The Interpreting Collections Of Romantic Poetry that you are looking for. It will completely squander the time.

However below, similar to you visit this web page, it will be appropriately totally simple to get as well as download lead The Poem And The Interpreting Collections Of Romantic Poetry

It will not understand many grow old as we tell before. You can get it even if play in something else at house and even in your workplace. as a result easy! So, are you question? Just exercise just what we pay for below as without difficulty as evaluation **The Poem And The Interpreting Collections Of Romantic Poetry** what you as soon as to read!
