The Political Economy Of International Shipping In Developing Countries

John Zumerchik, Steven L. Danver

The Political Economy Of International Shipping In Developing Countries:

The Political Economy of International Shipping in Developing Countries Okechukwu Chris Iheduru,1996

Shipping has played a pivotal role as the vector or artery through which this trade is conducted and in which this pattern of inequality has only recently been challenged by the South *Routledge Encyclopedia of International Political Economy* R. J. Barry Jones,2002-09-11 This three volume Encyclopedia offers the first comprehensive and authoritative survey of the rapidly developing field of international political economy Its entries cover the major theoretical issues and analytical approaches within the field The set also provides detailed discussion of the contributions of key individuals and surveys a wide range of empirical conditions and developments within the global political economy including its major institutions The Encyclopedia has been designed to be eclectic in approach and wide ranging in coverage Theoretical entries range from discussions of the definition and scope of the field through core methodological questions such as rationalism and the structure agent problem to surveys of the major theories and approaches employed in the study of the international political economy **Routledge Encyclopedia of International Political Economy: Entries P-Z** R. J. Barry Jones,2001 This important new work is the first comprehensive reference to the rapidly developing field of international political economy IPE Featuring over 1200 A Z entries the coverage encompasses the full range of issues concepts and institutions associated with IPE in its various forms Comprehensively cross referenced and indexed each entry provides suggestions for further reading along with guides to more specialized sources Selected entries include African Development Bank benign neglect Black Monday casino capitalism debt management efficiency floating exchange rates General Agreement on Tariffs and Trade GATT information society economy Organization of Petroleum Exporting Countries OPEC Microsoft multinational corporations definitions NATO patents rent seeking Schellin Thomas tax havens trusts Value Added Tax VAT zero sum games and many more **Arrested Development** Bolaji Akinola,2012 Arrested Development takes a hard look at the state of Nigeria s shipping sector and concludes that the sector has failed to live up to expectation Inconsistent government policies mediocrity poor planning and a general lack of understanding of the role of shipping in national development have all contributed to the sorry state of the shipping sector The author traced the history of Nigeria s shipping sector from the precolonial era to the present time and concludes that a lot more needs to be done if meaningful development of the sector is to be attained **New Directions in Norwegian Maritime History** Lewis R. Fischer,Even Lange,2011 This book is a wide reaching study of Norwegian maritime history and developments within the discipline It brings together the research efforts of a University of Oslo project aiming to further understand Norwegian shipping history between 1814 and 2014 and the work of a new generation of maritime historians Structured into three sections global integration political issues and success and failure the volume covers a broad range of maritime topics that have influenced both Norwegian economic development and Norwegian cultural identity Through analysis it discovers that in the last few decades Norwegian shipping has been plagued by multiple troubles whilst

simultaneously becoming less crucial to the Norwegian economy in favour of offshore petroleum production However it reiterates the historical importance of shipping to the economic development of Norway and asserts that historians have begun to treat it as the centre from which other industries grew

The Economic Transformation and Political Economy of Zambia Stephen Chan,2025-07-21 This book examines the economic and political development of Zambia since its independence in 1964 Based on detailed and original research it explores the challenges faced during each period of Zambia s modern history The Zambian copper industry is given particular attention to provide insight into the specific nature of the Zambian economy and to highlight how the country has failed to diversify economically and has accumulated debt Recent debt negotiations opportunities for financial investment the relationship between Zambia and China are discussed This book offers a rounded and considered understanding of the economic and political challenges that face Zambia and Africa It will be of interest to students researchers and policymakers working within development economics the political economy and economic history

Seas and Waterways of the World John Zumerchik,Steven L. Danver,2009-11-12 This is the first comprehensive encyclopedia on the history of the vast and varied ways human beings have used the world s waterways for business protection and recreation Seas and Waterways of the World An Encyclopedia of History Uses and Issues offers a comprehensive introduction to humanity s historical reliance on the world s seas and waterways and how that reliance continues to evolve Over the course of two volumes this extraordinary resource describes the world s major nautical features the wide variety of uses for those waterways and a number of essential issues arising from water borne commerce The encyclopedia marks the emergence of the aquarium cruise energy fishing insurance mining trade transportation recreation and sport industries and includes entries on harbors ports and coastal development that play a part in the economics of commercial water use Also included is coverage of a number of significant themes such as the rise and fall of the Erie Canal as the gateway to the Midwest and the declining popularity of the Panama Canal

Susan Strange and the Future of Global Political Economy Randall Germain,2016-04-28 This edited volume addresses the 2007 2009 financial crisis as the occasion to engage critically with the corpus of Susan Strange s work in order to consider what changes if any this crisis portends for the structural organization of the global political economy The contributors use Strange s rich conceptual framework to explore the financial crisis and its aftermath and reflect critically on the broader contributions which her work has made to the discipline of IPE The volume makes three valuable contributions for scholars and students First it raises the profile of Susan Strange a unique and powerful contributor to the field of IPE whose ideas matter to our current circumstance and can provide deep and enduring insights into important questions and issues Secondly each contributor to this volume combines her work and ideas with that of other traditions or individual theorists in ways that extend and or deepen Strange s own efforts Finally this volume leaves us with a judicious optimism about the future of both IPE and the world as it actually is on the ground This book will be of interest to scholars and students who are interested in

the dynamics shaping contemporary and future developments in the global political economy as well as those who are interested in the theoretical debates about how to study IPE

Routledge Encyclopedia of International Political Economy: Entries G-O R. J. Barry Jones, 2001 This important new work is the first comprehensive reference to the rapidly developing field of international political economy IPE Featuring over 1200 A Z entries the coverage encompasses the full range of issues concepts and institutions associated with IPE in its various forms Comprehensively cross referenced and indexed each entry provides suggestions for further reading along with guides to more specialized sources Selected entries include African Development Bank benign neglect Black Monday casino capitalism debt management efficiency floating exchange rates General Agreement on Tariffs and Trade GATT information society economy Organization of Petroleum Exporting Countries OPEC Microsoft multinational corporations definitions NATO patents rent seeking Schellin Thomas tax havens trusts Value Added Tax VAT zero sum games and many more

Afro-Optimism Ebere Onwudiwe, Minabere Ibelema, 2002-12-30 The view that Africa regressed the moment that colonial governments left its shores is widespread This volume is a counterpoint to the orthodoxy Here 13 scholars with specializations ranging from literature and history to philosophy and economics argue that Africa has advanced since colonialism and is poised to march forward in spite of setbacks and disappointments The contributors to the book contend that development is about human beings so they do not rely exclusively on statistical estimates and projections Afro Optimism is a book with a simple thesis Africa is marching forward even if at times haltingly and at a different pace from the rest of the world A common view among journalists and academics alike is that African conditions declined the moment colonial governments left its shores The chapters in this book cover Africa s progress in health agriculture transportation cultural innovation and economic advancement The contributors to the book contend that development is about human beings so they do not rely exclusively on statistical estimates and projections The essays in this book discuss the advances African states have made in spite of and at times because of their experiences of European colonial rule The contributors argue that in all facets of development Africans had to overcome colonial obstacles or had to build on meager colonial foundations Although the authors acknowledge Africa s disappointing performance in various respects they stress throughout that exclusive concentration on African failures creates new and reinforces existing negative perceptions of contemporary Africa

Yeah, reviewing a book **The Political Economy Of International Shipping In Developing Countries** could ensue your near links listings. This is just one of the solutions for you to be successful. As understood, feat does not recommend that you have extraordinary points.

Comprehending as competently as concord even more than other will manage to pay for each success. adjacent to, the pronouncement as well as keenness of this The Political Economy Of International Shipping In Developing Countries can be taken as with ease as picked to act.
