The Portable Maupassant

Guy de Maupassant

The Portable Maupassant:

The Portable Maupassant Guy de Maupassant, 1961-07-10 *The Portable Maupassant*, 1947 Maupassant and the American Short Story Richard Fusco, 2010-11-01

Maupassant and the American Short Story isolates and develops more fully than any previous study the impact of Maupassant's work on the writing of Ambrose Bierce O Henry Kate Chopin and Henry James. It introduces a new perspective to assess their canons, reviving the importance of many often ignored stories and in the cases of Maupassant and O Henry reasserting the necessity of studying such writers to understand the history of the genre. An important moment in the history of the short story occurred with the American misreading of Maupassant's use of story structure. At the turn of the century writers such as Bierce and O Henry seized upon the surprise inversion form because Maupassant's translators promoted him as championing it. Only a few writers such as James and Chopin, both of whom read Maupassant in French, appreciated his deft handling of form more fully. Their vision and the impact of Maupassant upon their fiction was largely ignored by later generations of writers who preferred to associate Maupassant and O Henry with the trick ending story. This book details the origins and consequences of this misperception. The book further contributes to the study of the short story genre through an adaptation of Aristotelian concepts. Richard Fusco proposes an original approach to short story structure, defining and developing seven categories of textual formulas: linear, ironic, coda, surprise, inversion, loop, descending, helical, contrast, and sinusoidal. As a practitioner of all these forms, Maupassant established his mastery of the genre. By studying his use of form, the book asserts a major reason for his pivotal importance in the historical development of the short story.

The Complete Novels of Guy de Maupassant Guy de Maupassant, 1928 *The Complete Works of Guy de Maupassant* Guy de Maupassant, 1917 **The Portable James Joyce** James Joyce, 1947 **The Portable Chekhov; Ed., and with an Introd., by Avrahm Yarmolinsky** Anton Pavlovich Chekhov, 1947 Dynamics of Desacralization Paola Partenza, 2015

The idea of desacralization has become almost commonplace, attributing to the word the rejection of what is sacred. One might think that it is strictly connected to theology and its system or suppose that it implies the relationship human beings have with anything that can express a denial of the spiritual part of life. The concept of desacralization has numerous meanings, either from a philosophical or a literary viewpoint. The scholars' investigation of Dynamics of Desacralization has made this collection of essays rich and varied, revealing new worlds the different authors have created. What they do is to narrate various types of desacralization, interrogating the nature of novels, poems, or works of art; certain aspects of being are revealed through various expressions, engaging the multiple levels and the meaning of desacralization, providing an articulation and interpretation of it.

The Collected Novels and Stories of Guy de Maupassant Guy de Maupassant, 1924 ... *Complete Works of Guy de Maupassant ...: Strong as death, Useless beauty, and short stories* Guy de Maupassant, 1909
