The Porters In Provence And The Tmr Murders:

The Porters in Provence and the Tmr Murders Joseph Focazio,2002-08-01 The reader has a reliable informative travel guidebook filled with descriptions of cultural and artistic venues and marvelous gourmet cuisine As the Porters make their way through France s Provence region these shared experiences are woven through an intriguing murder mystery *The Dominici Affair* Martin Kitchen,2017-10 The spectacular murders of a distinguished British scientist his wife and their young daughter in the depths of rural France in 1952 prompted one of the most notorious criminal investigations in postwar Europe It is still a matter of passionate debate in France Sir Jack Drummond with his wife Lady Anne and their ten year old daughter Elizabeth were on holiday on the French Riviera when they stopped to make camp just off the road near a farm called La Grand Terre in Provence The family was found murdered the next morning More than two years later the barely literate seventy five year old proprietor of La Grand Terre Gaston Dominici was brought to trial convicted and condemned to death by guillotine When Dominici was convicted there was general agreement that the ignorant pitiless and depraved old peasant had gotten what he deserved At the time he stood for everything backward and brutish about a peasantry left behind in the wake of France s postwar transformation and burgeoning prosperity But with time perspectives changed Subsequent inquiries coupled with widespread doubts and misgivings prompted President de Gaulle to order his release from prison in 1960 and by the 1980s many in France came to believe against all evidence that Gaston Dominici was innocent He had become a romanticized symbol of a simpler genuine and somehow more honest life from a bygone era Reconstructing the facts of the Drummond murders *The Dominici Affair* redefines one of France s most puzzling crimes and illustrates the profound changes in French society that took place following the Second World War Accent on Murder Susan Kiernan-Lewis,2017-07-30 *Murder Tres Gauche* Susan Kiernan-Lewis,2018-09-12 One thing you can say about the apocalypse the traffic problem seems to be solved But that s about all especially for one American ex pat stranded in France and trying to make the best of it When a fellow American at the nearby alien detention camp is accused of murdering her French lover it s up to Jules to prove she didn t do it Jules will travel to Aix en Provence to see how her countrywoman was forced to live after the lights turned off to uncover the people who betrayed her and why and finally to confront the ruthless female warden of the alien detention camp who is determined to make her American prisoner pay not just for the murdered Frenchman but for the apocalypse itself
