Barnes, 2006-03-21 Sandra L Barnes helps us sort out why prejudice is unfair what feeds our prejudices how to overcome prejudice and how to avoid being victimized by discrimination This holistic book is an essential read for Christians committed to understanding prejudice and making change says Jenell Paris of Bethel University **Peace, Power, And The United Nations** Joseph P Lorenz, 2019-06-04 The notion that every state has an interest in the territorial integrity of every other state no matter how distant they are and how slight their connections is peculiar to the twentieth century To be sure poets and philosophers had perceived humanity's common interest in preventing wars and statesmen had found that aggression from outside the community could be deterred by the mutual defense of those within it But no one had ever tried to organize an all embracing system that used the collective force of its members to prevent one of them from attacking another It took the wide devastation of two world wars and the failure of the balance of power systems that preceded them to instigate the search for a more effective way to manage power To the founders of the League of Nations and the United Nations there was nothing extravagant about the idea that peace is indivisible Their countries had been drawn into wars that were largely not of their making They had learned that to control their destinies they must act early with others to keep the peace It is this core of national self interest that drives collective security If the system works at any moment in history it is because its members believe they have enough stake in the existing order to warrant taking measures against any nation that threatens to destroy the fabric of that order The Power of Uncommon Unity Joey LeTourneau, 2013-09-17 Discover the Secret to Turning the World Upside Down Jesus spoke these words lifted up His eyes to heaven and said that they may be one just as We are one John 17:1-22 Division feeds powerlessness The longer the church remains divided and disconnected from each other the longer it will take to accomplish the work Jesus has assigned us to do You may be thinking I'm just one person What can I do to bring God's people together and promote unity in the body of Christ Joey LeTourneau's book shows you how to Become a catalyst that releases uncommon unity in your unique sphere of influence Recognize your identity and essential role in the global community of God Receive and release vision that transforms culture Position yourself to sow into future generations and empower emerging leaders It is time for you to access the secrets to walking in the same dynamic presence and power of God that were normal for the first century Church and play your part in turning the world upside down Understandings of the Power of Peace III Ed D Elwin L Dickerson, 2017-01-26 Every hour of every day proves that inadequate solutions for social political and personal crises flamed by multifaceted hate singes everyone Peace cannot be a compromise Peace visits and like great escape artists it vanishes leaving in its place bewilderment and unquenchable desire for more Peacelessness is profitable Industry and governments grow in response to peacelessness Corporations and cousins fight for a piece of the pie

Blessed must be the peacemakers they experience only temporary success yet their efforts continue in hope as evidence of things not seen Peace is the strong cord running through history Peace ties together every chapter of every book of the Bible Peace is the subject of every sermon and hymn and is the cause of every war Peace is so powerful even God works under its influence Who understands that Peace will bring this world to its end
