tough and opportunities for women were few and far between When mother of three Annie Londonderry saw an ad promising 10 000 to a woman who could cycle around the world in a year something no one thought possible she decided it was time to learn to ride She waved goodbye to her family in Boston and set off for Chicago Annie was exhausted when she arrived fifty nine days later and she realized she d never make it across the Rockies before winter and certainly not riding a heavy women s bike and wearing a corset and petticoats So Annie got herself a better bicycle and comfortable bloomers and headed back East to try a different route Facing robbers sprained ankles and disapproving stares Annie missed her family and wanted to quit But she journeyed on all over the world And when she finally reached California and the Southwest she kept pedaling Her family was counting on the prize money and people around the world especially women were watching Annie come through for all of them arriving in Chicago fourteen days before her deadline and proving that women could do just about anything

Pilgrim: A Chiang Mai Love Story David

Stewart, 2024-05-25 Daniel knows that something needs to change. As he reconciles a dark past that continues to haunt him, he knows he has to do all he can to avoid returning to it. With this in mind, he finds himself in Northern Thailand. However, as someone brought to their spiritual knees, the esoteric starts to find him. Each character that unveils themselves to him seems more mysterious than the last. Are they all just a reflection of his inner demons? The story follows Daniel's journey, which takes him deep into the realm of the mystical and mysterious. This is the gripping first book in the Bike Ride to Ban Talat Trilogy. Told in an intriguing setting, the door is flung open for the reader to enter into the most intimate moments of a divinely human man. Every reader can connect with someone like Daniel as he depicts all that is fragile and vulnerable in the human spirit. The beauty in his story lies in how close the reader is brought to him by gaining privileged access to his conflicted heart and struggling mind. What others are saying: Perceptive, raw, and poetic. Pilgrim follows a man full of questions as he seeks to answer them. A love letter to Chiang Mai, we are led through stunning terrain as the complicated, deeply flawed yet ultimately redeemable Daniel finds himself hopeful and pensive. Pilgrim is an insight into the male psyche. Jessie Stephens, author of *Heartsick*. What a FABULOUS book. Rick Grossman of the Hoodoo Gurus. David is a poet. A recovery. Kerouac. Adam Sinclair. David's lived experience provides enormous empathy and understanding to create a hard-to-put-down book. Kathryn Greiner, AO. What an incredible spiritual journey. Pilgrim takes you on it; it really gives you a new perspective on the now. Allow yourself to get lost in the story and reflect on your own life. Matt Moran.
