The Power Zone Jesus Model For A New Humanity:

The Power Zone Larry Calvin,1995 **The Power Zone** Tony Simpson,2009-06 What is spirituality In The Power Zone author Tony Simpson answers this question and more by introducing and defining The Power Zone The result is clarification of the protective empowering realm in which God wants us to live The Power Zone explains that at the moment of salvation God places us into two different relationships with Him one of which takes place in The Power Zone The Power Zone is the only place where the Holy Spirit directs our life Inside of this exclusive sphere we enjoy spiritual empowerment fellowship spiritual growth production and effective prayer Each time we succumb to sin we leave The Power Zone and become prey to the three enemies of freedom the world the flesh and the devil Using a creative array of teaching diagrams Simpson includes a five level spiritual growth model to help us understand our current spirituality and where we need to grow The Power Zone enables us to exploit God s grace provisions for living the Spirit directed life **No Fear!** Larry Calvin,1995 **One New Humanity** Kristin Caynor,Werner Mischke,2025-04-01 Is Jesus the way to recover our humanity One New Humanity offers a vision of glory that confronts the shame and violence of our world Drawing insights from early Christians the global church social sciences and Scripture the authors argue that Ephesians 2 13 17 reveals a social and horizontal dimension to the gospel of Christ In Christ we gain a new peaceable way of being human Through this extensive look at the gospel of peace we discover that Scripture speaks more powerfully than we often realize to the problems of polarization alienation shame and violence The gospel offers a way out of the cycles of violence which have entrapped both the church and the world and opens up a path of true freedom purpose and glory in Jesus One New Humanity offers a fresh framework for Jesus centered reconciliation we embody Christ s peace for the world near and far **American Book Publishing Record** ,1995 **A New Humanity** Luciano Lombardi,2023-02-15 Lombardi leads us into an interaction with the apostle s breathtaking vision A New Humanity helps answer Paul s own prayer that the eyes of our hearts would be enlightened that we could know who we are in Jesus in his Father in the Holy Spirit together Beautiful C Baxter Kruger Author of Across All Worlds and the international bestseller The Shack Revisited I welcome this valuable addition to the study of Ephesians and recommend it to individuals and groups who intend to live as masterpieces of His creation David Wells General Superintendent of the PAOC and Canadian Sports Chaplain Olympic Pan Am and Commonwealth Games Luciano provides some wonderful pastoral insights as a reminder that the Bible is still relevant in addressing today s most pressing questions Domenic Ruso PhD Lead Pastor 180 Church Laval Quebec and author of Making Sense of the Church An Introduction This book is a call for everyone to live out the humanity that God has given us through Jesus This book is a must read for everyone looking for a sense of purpose and destiny in life *A Theology for Artisans of a New Humanity, Volume 5* Juan L. Segundo,2011-05-13 **A THEOLOGY FOR ARTISANS OF A NEW HUMANITY** Volume 1 The Community Called Church Volume 2 Grace and the Human Condition Volume 3 Our Idea of God Volume 4 The Sacraments Today Volume 5 Evolution and Guilt For many

generations Christians have considered sin almost exclusively in terms of the individual person my sins and your sins These sins moreover have been thought to have their roots in our fallen human nature the consequence of original sin Recently however the bishops and theologians of Latin America have begun to speak of sinful structures sinful institutions and even sinful societies These terms sound rather strange to North American ears but an understanding of them is vital if Christians here are to live up to their calling to be both prophetic and creative agents for change within their communities global as well as national These communities are scarred by sinful structures and sinful institutions if we but had the eyes to see them as they are For the love taught and lived by Christ has a creative obligation in Segundo's phrase the obligation to move evolution forward into ever more truly human forms and structures I have come to give life and that more abundantly Segundo's reflections on the nature and meaning of that life make Evolution and Guilt a signal contribution to pastoral as well as political theology It is paramount however a breakthrough in Christian moral theology speaking to the major issues of our times

Love Hurts: The Heart of the Christian Story Alan J Spence, 2013-03-01 This book offers a fresh outline of the Christian story shaped by the idea of God's love as it is described in the New Testament Love Hurts is a fresh and compact summary of the central themes of the Christian message Journeying through the Bible's rich and diverse world of ideas and stories it leads the reader on a route mapped out by one particular motif the love of God The meaning of this idea as it is explained in three key verses in the New Testament determines the path taken The reader is invited to consider the costliness of that love the judgement from which it saves men and women the sort of life it promises and the role that faith plays in responding to it The saving ministry of Jesus is considered afresh in the light of it There is also a reflection on why these short lives of ours have ultimate significance and the distinguishing mark of those who are blessed by God Finally consideration is given to the pre-emptive nature of God's saving love and how that love is presented to us in the gospel as promise In Love Hurts Alan Spence demonstrates that it is possible to be both simple and profound Spence starts with the conviction that the love of God lies at the heart of the Christian story and proceeds to unpack this belief with nuance and insight producing a compelling and convincing argument primarily by allowing the Bible to speak for itself This is a book well worth reading Brian Harris Principal of Vose Seminary and Senior Pastor of Carey Baptist Church Perth Western Australia

The New Adam Ron Highfield, 2021-04-23 Have you ever found yourself repeating expressions such as Jesus saves or Jesus died for our sins without really understanding them When popular speakers explain how Jesus's death satisfied God's wrath so you could be forgiven do you ever think to yourself I don't get it If so you're not alone you're not dumb and the problem is not with you Ron Highfield reframes Christian teaching about the atonement so that it comes alive with fresh meaning Drawing on biblical and traditional sources Highfield explains why our frustration in trying to understand how Jesus's death satisfies God's judicial wrath is inevitable because the idea doesn't make sense and the Bible doesn't teach it Instead of viewing the atonement as the solution to God's problem of how to forgive sins while remaining perfectly just Highfield

argues that the atonement is God's solution to our problem. In Jesus, God rewrites the human story, forgiving our sins, correcting our mistakes, and realizing our destiny. As one of us, Jesus lives a perfect life, passes through death, and enters into eternal life. As the new Adam, he invites us to join his family, share his life, and enjoy his victory. *Spectacular Atonement*
Robert Falconer, 2023-05-31

There are many books about the cross of Christ, but few are written from an African perspective or with an African context in mind. In this book, Dr. Robert Falconer offers the reader a holistic understanding of Jesus's atoning work that powerfully addresses African realities and concerns. Grounded in Scripture and Christian theology, this book gives careful attention to the implications of the atonement for African traditional spirituality. Presenting a biblical perspective of the cross, one rooted in penal substitution and Christus Victor theology, Falconer demonstrates Christ's power in all aspects of our lives, including over ancestors' evil spirits, witchcraft, and sin. This book provides a deeper understanding of contextual issues facing the African church while also demonstrating the role of the atonement in addressing our cultural concerns and restoring the hope of liberty, reconciliation, redemption, and resurrection.
