The Practice of Japanese Acupuncture and Moxibustion Masakazu Ikeda,2005-01-01 A Long Road Edward Obaidey,2014-05-01 The best way to learn the art of Oriental Medicine is by direct transmission in the clinic seeing feeling sensing and being part of the treatment process through a relationship with someone familiar with the road you are on A Long Road An Acupuncture Travelogue provides snapshots of steps along the road by the author in his development over many years as a busy practitioner The real sense of living dynamic treatment is conveyed through the author s obvious dedication and delight in pursuing and transmitting understanding of this art The more so by the inclusion of conversation transcripts between the author and his students through which the reader is offered the chance to benefit from a sense of the sensei deshi student teacher relationship In depth articles cover specific conditions treatment concepts diagnostic nuance case histories and discussion on point meaning and use The classical texts are explored with translation commentary and brought to vibrant clinical relevance to the extent that the text could almost be viewed as a clinical work book To be consulted for inspiration and guidance and to be sweated over in study but mostly and importantly in clinical practice This text is recommended for practitioners of all styles or methods as a path away from the unfortunate tendency to intellectualize oriental medicine and thus trap it in the classroom or lecture theatre The reader is offered a bridge between classical theory training and the vibrant reality of the clinical practice of acupuncture moxabustion and traditional massage A Long Road (Volume II) Edward Obaidey,2011 The best way to learn the art of Oriental Medicine is by direct transmission in the clinic seeing feeling sensing and being part of the treatment process through a relationship with someone familiar with the road you are on A Long Road An Acupuncture Travelogue provides snapshots of steps along the road by the author in his development over many years as a busy practitioner The real sense of living dynamic treatment is conveyed through the author s obvious dedication and delight in pursuing and transmitting understanding of this art The more so by the inclusion of conversation transcripts between the author and his students through which the reader is offered the chance to benefit from a sense of the sensei deshi student teacher relationship In depth articles cover specific conditions treatment concepts diagnostic nuance case histories and discussion on point meaning and use The classical texts are explored with translation commentary and brought to vibrant clinical relevance to the extent that the text could almost be viewed as a clinical work book To be consulted for inspiration and guidance and to be sweated over in study but mostly and importantly in clinical practice This text is recommended for practitioners of all styles or methods as a path away from the unfortunate tendency to intellectualize oriental medicine and thus trap it in the classroom or lecture theatre The reader is offered a bridge between classical theory training and the vibrant reality of the clinical practice of acupuncture moxabustion and traditional massage

Japanese Acupuncture Edward Obaidey,2023-01-21 Many students of Oriental Medicine begin their studies with a somewhat hazy relationship with the origins of the subject It is often much later when they begin to feel something is missing

that they at last begin to dig in and find the roots of this method that is at once therapy art and philosophy In this book you will be taken to the classical roots of this art to consider the foundational concepts and ideas afresh Edward Obaidey is perhaps the perfect guide on this path dotted with what you may feel are familiar concepts and language He has an uncanny knack and light touch of opening up a perspective or idea long taken for granted and asking the reader to think anew Edward provides just enough detail and information to kindle fresh interest and connections in the mind of the reader without smothering this precious state of curiosity and creative spark This is the hallmark of a good teacher attested to by the many apprentices students readers and seminar attendees that Edward has enlightened and educated over the years The essence that comes through in this text is an important reminder of the sense of perspective that whilst so fundamental to the study and practice of Oriental Medicine is often sadly lacking or lost in detail

A Long Road Edward Obaidey, 2011 The best way to learn the art of Oriental Medicine is by direct transmission in the clinic seeing feeling sensing and being part of the treatment process through a relationship with someone familiar with the road you are on **A Long Road An Acupuncture Travelogue** provides snapshots of steps along the road by the author in his development over many years as a busy practitioner The real sense of living dynamic treatment is conveyed through the author's obvious dedication and delight in pursuing and transmitting understanding of this art The more so by the inclusion of conversation transcripts between the author and his students through which the reader is offered the chance to benefit from a sense of the sensei deshi student teacher relationship In depth articles cover specific conditions treatment concepts diagnostic nuance case histories and discussion on point meaning and use The classical texts are explored with translation commentary and brought to vibrant clinical relevance to the extent that the text could almost be viewed as a clinical work book To be consulted for inspiration and guidance and to be sweated over in study but mostly and importantly in clinical practice This text is recommended for practitioners of all styles or methods as a path away from the unfortunate tendency to intellectualize oriental medicine and thus trap it in the classroom or lecture theatre The reader is offered a bridge between classical theory training and the vibrant reality of the clinical practice of acupuncture moxabustion and traditional massage
