

A romantic couple is shown in a bedroom. The man, on the left, is wearing a dark blue turtleneck and has his arms around the woman. The woman, on the right, is wearing a red long-sleeved top and is smiling down at something in her hands. They are sitting on a bed with a grey headboard and white pillows. The bed is covered with a dark grey blanket and scattered with many red and white rose petals. The overall mood is intimate and romantic.

The Existence Theodore Ihejieta, 2018-12-21 The Existence By Theodore Ihejieta The Existence is a book of love and life that talks about the world as the existence of human beings and tells human beings to understand that the world is the love and the life It is a book of Planet Earth which the Planet Earth gave to the author because the author asked the Planet Earth for the book of the world The author is a human being who lost faith in God and called on Planet Earth to do work and save human beings from evil and death in the world This is a book of a human being who was challenged by evil and death in the world and the human being called on his existence for help and protection The author did not like to die in the world and told his existence that he did not want to die because the author believed that Planet Earth has the power to save human beings in the world The Existence is the faith the hope and the charity that God challenged human beings to find and tell the mountain of evil and death to move away from human beings In the Arms of My Beloved Sandra Crawford, 2012-10-01
