Policies, Practices, and Protocols for the Implementation of Technology Into Language Learning El Shaban, Abir, Abobaker, Reima, 2021-11-19 Many research studies show that the use of technology inside and outside classrooms makes teaching and learning more engaging and motivating Technology can provide learners with endless opportunities and can improve the learning experience simplify access to educational resources enhance autonomous learning meet individual learning needs and prepare the learners for future career success when using it to foster 21st century skills However the range and number

of technologies currently available can yield challenges for educators if they do not know how to effectively integrate them into their teaching pedagogy Policies Practices and Protocols for the Implementation of Technology Into Language Learning discusses the skills necessary for successful technology use in education and examines technology tools that assist in teaching different languages with a focus on English as a Foreign Language EFL Covering a range of topics such as reading writing and integrated language skills this book is ideal for instructors policymakers administrators researchers practitioners academicians and students *Innovations in Travel Demand Modeling: Papers* ,2008 The 31 individual authored papers from the breakout sessions are contained in Volume 2 Pub desc **Intensive vs. Extensive Approaches in Foreign Language Teaching** Carmen Neagu,2023-01-22 The purpose of this theoretical and experimental paper is to clarify the influence of an extensive learning program on high school students language comprehension and attitude towards reading The experiment was administered throughout a school semester with a control group following the intensive approach and an experimental group subject to the extensive approach The intervention of the experiment was represented by the two teaching approaches extensive vs intensive whereas the measured outcome consisted in the learners changes in language proficiency and attitude towards reading Since both intensive and extensive approaches are necessary in order to prepare students for college tasks the senior high school period is an ideal moment to start introducing extensive language programs as a means of achieving and not substituting the communicative competence Furthermore the reading habit will outlast and accompany students as a lifelong second nature
