

A surreal, artistic image featuring a person standing in the center of a city street. The person is silhouetted against a bright, glowing light source that creates a lens flare effect. In the background, a massive, ornate clock face is superimposed over the cityscape, with its hands and Roman numerals clearly visible. The clock face is positioned as if it were a large window or a portal, looking out onto the city. The overall color palette is dominated by warm, golden-yellow and orange tones, suggesting a sunset or sunrise. The image has a dreamlike, apocalyptic quality, with the text 'THE PRESENT APOCALYPSE' overlaid in the center.

The Present Situation A Christian Prepares For The Apocalypse:

The Present Situation Rick Strauss, 2003-07-01 The author restates the ancient texts in clear modern language to reveal how Jesus love protects you during the Apocalypse

The Present Situation, *The End of the World* Ernesto de Martino, 2023-11-29 The first English translation of a classic work of twentieth century anthropology and philosophy A philosopher historian of religions and anthropologist Ernesto de Martino 1908 1965 produced a body of work that prefigured many ideas and concerns that would later come to animate anthropology In his writing we can see the roots of ethnopsychiatry and medical anthropology discussions of reflexivity and the role of the ethnographer considerations of social inequality and hegemony from a Gramscian perspective and an anticipation of the discipline's existential turn We also find an attentiveness to hope and possibility despite the gloomy title of his posthumously published book *La fine del mondo* or *The End of the World* Examining apocalypse as an individual as well as a cultural phenomenon treating subjects both classic and contemporary and both European and non Western ranging across ethnography history literature psychiatry and philosophy de Martino probes how we relate to our world and how we might be better subjects and thinkers within it This new translation offers English language readers their first chance to engage with de Martino's masterwork which continues to appear prescient in the face of the frictions of globalization and environmental devastation

THE FUTURE OF RUSSIA AND THE END OF THE WORLD Fr. Serafim Rose, elder Cleopa Ilie of Romania, et al, St. John (Maximovitch), Ioan Vladuca, Nilus Stryker, 2021-05-11 Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com> 2023 01 book inventory vladimir djambov talmach.html Every Orthodox Christian is placed between two worlds this fallen world where we try to work out our salvation and the other world heaven the homeland towards which we are striving and which if we are leading a true Christian life gives us the inspiration to live from day to day in Christian virtue and love But the world is too much with us We often and in fact nowadays we usually forget the heavenly world The pressure of worldliness is so strong today that we often lose track of what our life as a Christian is all about Even if we may be attending church services frequently and consider ourselves active church members how often our churchliness is only something external bound up with beautiful services and the whole richness of our Orthodox tradition of worship but lacking in real inner conviction that Orthodoxy is the faith that can save our soul for eternity lacking in real love for and commitment to Christ the incarnate God and Founder of our faith How often our church life is just a matter of habit something we go through outwardly but which does not change us inwardly does not make us grow spiritually and lead us to eternal life in God But it is easy to become lost in dreams of the future world We should be aware of what is to happen at the end of the world and of what may happen in Russia But spiritual events such as the resurrection of Russia depend upon each individual soul This seven will not happen without the participation of the Orthodox people our repentance and struggle And this involves

not only the people of Russia itself it involves the whole of the Russian Diaspora and all the Orthodox people of the world
