Groh** United States. Air Force. Office of the Chief of Chaplains, Daniel B. Jorgensen, 1961 One Nation Under God? John D. Wilsey, 2011-06-01 Is America a Christian nation This question has loomed large in American culture since the Puritans arrived on American shores in the early seventeenth century More recently the Christian America thesis has been advocated by many evangelical leaders across the denominational spectrum This book contributes to the conversation by critiquing from an evangelical perspective the idea that America is a Christian nation as articulated by specific writers over the past three decades Wilsey asserts that the United States was not conceived as a Christian nation but as a nation with religious liberty Herein lies the genius of the Founders and the uniqueness of America Made In America Michael S. Horton, 1998-12-16 There is a crisis of truth in our time asserts Michael Horton even in our evangelical church And it is due at least in part to our cultural accommodation Horton believes the time has come to call evangelicals back to faith and truth The Journal of Religion , 1976 **Air Force Chaplains, 1971-1980** John Eliot Groh, 1986 *Weaving the American Catholic Tapestry* Derek C. Costas, 2005-08-22 Solidly theological amply historical thoroughly ecumenical and remarkably current Orlando Costas Christ Outside the Gate is the most succinct yet comprehensive analysis of the missiological issues facing the church and the churches that has appeared in many years Alan Neely Southeastern Baptist Theological Seminary Wake Forest Learning and passion come together in Christ Outside the Gate to make it an outstanding contribution to missiology
