The Bernstein Projections A Metaphysical Comedy:

The Bernstein Projections Victor Chaney,2000-09 An outrageously funny and irreverent metaphysical comedy about teacher sheldon Bernstein s out of body experiences When Bernstein s wandering spirit blunders into the girls shower room at San Milo High School he begins a series of adventures that ultimately takes him and us to the brink of eternity Surrounded by a menagerie of well meaning friends and some not so well meaning foes can Bernstein possibly succeed in delivering a new and surprising message from beyond And just what do powerful TV evangelist Andrew Tavey and satanist leader Travis Cox have up their sleeves for Bernstein And is a skeptical world ready for any of this The Reluctant Film Art of Woody

Allen Peter J. Bailey,2016-05-27 For five decades no American filmmaker has been as prolific or as paradoxical as Woody Allen From *Play It Again Sam* 1972 to *Midnight in Paris* 2011 and *Blue Jasmine* 2013 Allen has produced an average of one film a year yet in many of these movies Allen reveals a progressively skeptical attitude toward both the value of art and the cultural contributions of artists In this second edition Peter J Bailey extends his classic study to consider Allen s work during the twenty first century He illuminates how the director s decision to leave New York to shoot in European cities such as London Paris Rome and Barcelona has affected his craft He also explores Allen s shift toward younger actors and interprets the evolving critical reaction to his films authoritatively demonstrating why the director s lifelong project of moviemaking remains endlessly deserving of careful attention *Paperbound Books in Print* ,1992 **Books in Print** ,1994 **The**
