The Marriage Solution Helen Brooks, 1995 The Marriage Solution Megan Kelly, 2011-05-01 Tara Montgomery is nobody's fool. She's known love 'em and leave 'em types before heck she was left pregnant by one. There's no way charming Dylan Ross can tempt her into anything. Except the womanizing bachelor has more in common with Tara than she'd like. He's just discovered he's a father to a four-year-old girl. Single parenthood is tough and Dylan needs the daycare employee's help. But Tara has her own problems. In a vicious custody battle, a high school diploma, and empty bank account are no defense. Throw in single working mother and Tara could lose her son. That's the only reason she's considering Dylan's outlandish proposal. Marriage may be their only solution, but Tara is going into it with her eyes open. Her son has to come first, no matter what her heart wants.

In the midst of the chaos, an angry man named Carlton Reef calls them. Afterward, Katie goes to Carlton's office to learn that her father's business venture has failed, which in turn means he lost all his properties and damaged Carlton's company financially. On top of everything else, this news was more than Katie could bear. But her tears move Carlton, and he hugs her tightly. A few days later, he makes her a proposal: if Katie will marry him, he'll settle all her father's debts.

The Marriage Solution Stephanie Rose, 2025-07-28 Julie's hot, fiercely protective best friend Landon just dropped to one knee in the middle of the Bellagio with the perfect solution to all my problems. After an unexpected diagnosis and a run of bad luck, I'm officially down and out. That is, until my best friend of two decades offers me his name and his health insurance. We're in Vegas for someone else's wedding. The last thing I ever expected was a proposal of my own, especially from Landon, my rock, my closest friend, even when we're miles apart. He's always been gorgeous, but except for that drunken, almost-kiss-back-in-college, the only thing between us is friendship. What's a marriage of convenience between pals? Besides, Landon lives hundreds of miles away. Nothing has to change. Right? Landon popped the question, put a ring on it, and slapped Julie's name on my health insurance policy. Problem solved. It's supposed to be a marriage of convenience. However, when my job relocates
