posturing in short the history in cultural happenstance that Marcus reveals here exposing along the way the distortions and denials that keep us oblivious if not immune to its lessons Whether writing about the Beat Generation or Umberto Eco Picasso's Guernica or the massacre in Tiananmen Square The Manchurian Candidate or John Wayne's acting Eric Ambler's antifascist thrillers or Camille Paglia Marcus uncovers the histories embedded in our cultural moments and acts and shows how through our reading of the truths our culture tells and those it twists and conceals we situate ourselves in that history and in the world Rarely has a history lesson been so exhilarating With the startling insights and electric style that have made him our foremost writer on American music Marcus brings back to life the cultural events that have defined us and our time the social milieu in which they took place and the individuals engaged in them As he does so we see that these cultural instances as lofty as The Book of J as humble as a TV movie about Jan and Dean as fleeting as a few words spoken at the height of the Berkeley Free Speech Movement as enduring as a Paleolithic painting often have more to tell us than the master narratives so often passed off as faultless representations of the past Again and again Marcus skewers the widespread assumption that history exists only in the past that it is behind us relegated to the dustbin Here we see instead that history is very much with us being made and unmade every day and unless we recognize it our future will be as cramped and impoverished as our present sense of the past

The Lost One Stephen D. Youngkin, 2005-09-30 Often typecast as a menacing figure Peter Lorre achieved Hollywood fame first as a featured player and later as a character actor trademarking his screen performances with a delicately strung balance between good and evil His portrayal of the child murderer in Fritz Lang's masterpiece M 1931 catapulted him to international fame Lang said of Lorre He gave one of the best performances in film history and certainly the best in his life Today the Hungarian born actor is also recognized for his riveting performances in The Man Who Knew Too Much 1934 The Maltese Falcon 1941 and Casablanca 1942 Lorre arrived in America in 1934 expecting to shed his screen image as a villain He even tried to lose his signature accent but Hollywood repeatedly cast him as an outsider who hinted at things better left unknown Seeking greater control over his career Lorre established his own production company His unofficial graylisting by the House Committee on Un American Activities however left him with little work He returned to Germany where he co authored directed and starred in the film Der Verlorene The Lost One in 1951 German audiences rejected Lorre's dark vision of their recent past and the actor returned to America wearily accepting roles that parodied his sinister movie personality The first biography of this major actor The Lost One A Life of Peter Lorre draws upon more than three hundred interviews including conversations with directors Fritz Lang Alfred Hitchcock Billy Wilder John Huston Frank Capra and Rouben Mamoulian who speak candidly about Lorre both the man and the actor Author Stephen D Youngkin examines for the first time Lorre's pivotal relationship with German dramatist Bertolt Brecht his experience as an migr from Hitler's Germany his battle with drug addiction and his struggle with the choice between celebrity and intellectual respectability Separating the enigmatic person from the persona long associated with one of classic

Zachary Scott Ronald L. Davis, 2009-09-28 Throughout the 1940s Zachary Scott 1914 1965 was the model for sophisticated debonair villains in American film His best known roles include a mysterious criminal in *The Mask of Dimitrios* and the indolent husband in *Mildred Pierce* He garnered further acclaim for his portrayal of villains in *Her Kind of Man* *Danger Signal* and *South of St Louis* Although he earned critical praise for his performance as a heroic tenant farmer in Jean Renoir s *The Southerner* Scott never quite escaped typecasting In *Zachary Scott Hollywood s Sophisticated Cad* Ronald L Davis writes an appealing biography of the film star Scott grew up in privileged circumstances his father was a distinguished physician his grandfather was a pioneer cattle baron and was expected to follow his father into medical practice Instead Scott began to pursue a career in theater while studying at the University of Texas and subsequently worked his way on a ship to England to pursue acting Upon his return to America he began to look for work in New York Excelling on stage and screen throughout the 1940s Scott seemed destined for stardom By the end of 1950 however he had suffered through a turbulent divorce A rafting accident left him badly shaken and clinically depressed His frustration over his roles mounted and he began to drink heavily He remarried and spent the rest of his career concentrating on stage and television work Although Scott continued to perform occasionally in films he never reclaimed the level of stardom that he had in the mid 1940s To reconstruct Scott s life Davis uses interviews with Scott and colleagues and reviews articles and archival correspondence from the Scott papers at the University of Texas and from the Warner Brothers Archives The result is a portrait of a talented actor who was rarely allowed to show his versatility on the screen
