The Masondixon Sutra:

The Mason-Dixon Sutra Bob Snyder, P. J. Laska, Joseph Barrett, 1999 **Night & Day** P.J. Laska, 2010-05-22 Laska has written works alternately described as bold and memorable and with a hair raising comic vitality Given the complexity of his occasionally dark unabashedly political philosophical and underground writings he can be described as an Appalachian Fyodor Dostoyevsky Jeff Biggers Contributing Editor to The Bloomsbury Review Eschewing conventional poetic fashion Laskas engaging collection of over three decades of writings in the shadow of corporate domination is a sweeping poetic and prosaic lyrical and anti lyrical assemblage of thought provoking epigrams puns and philosophical dialogues together with voices and vignettes of a by passed America From the stripped mined hills and hollows of Appalachia to the banal debris of urban streets his work unfolds with respectful understatement the on going global desecration of inner and outer life With patient yet alarmed urgency he brings to the surface an ecological counter tradition whose contours trace back as far as the ancient Chinese Dao De Jing Csaba Polony Editor Left Curve NIGHT coal miners janitors salesmen across the rich diversities of the Appalachians But it could be anywhere anywhere there is history and the undying thirst to regain its story Night Day is a revolutionary documentary shaped by Laskas skill and free thinking awareness He has crafted this collection into three very distinct and thought provoking sections each lending a vivid picture created on a palette of carefully blended anti lyrics His style reaches from haiku to epigrammatic dialogue to philosophical conversations to a one act play The different forms make for a seamless flow and keeps the reader engaged in an almost voyeuristic indulgence The images are seen felt and experienced Quick dipping their heads they roll silvery drops down their backs then shimmy the dust from their wings His eye for the senses is clearly evident a profound craftsmanship on each page The main theme points to loss and the restitution of a culture a reinstatement of what has vanished what has been taken or rather an intense look back at a sober lingering The governments involvement is one of disdain but what strikes me is the search for meaning through philosophical traditions the hope for a return to nature and what is whole from a place of drought In many ways these poems are odes and pieces of the subjects soul This is a call an invitation to query I accept **Appalachian Heritage** ,2000 *Appalachian Journal* ,1995 A regional studies review Southern Appalachian Poetry Marita Garin, 2008-06-17 The poems in this anthology hold true to mountain cultures strong story telling tradition relating both the toil and the serenity of life lived on hill farms in coal mining camps and in small rural towns The American Humanities Index Stephen H. Goode, 1998 One Percent Devils and Their Satanic Tools Curtis Alan Woods, JD, MSAJ, BA, 2016-09-01 One Percent Devils and Their Satanic Tools by Curtis Alan Woods JD MSAJ BA One Percent Devils and Their Satanic Tools addresses the rampant moral crisis in a dozen professions Moral politicians religious leaders news media and economists are allowing One Percent Devils and their Satanic Tools Republican politicians preachers and the press to gradually eliminate and replace democracy moral capitalism the Bill of Rights and the Constitution with an Anglo Saxon new world order that would be as tyrannical and immoral as Nazi

and atheistic communist orders Satanic Tools disrespect suppress and bully anyone who is not a male Caucasian and a Judeo Christian They are against equal rights justice fair distribution of national income and wealth education so voters are unintelligent regulation of any business and social safety nets for their victims They don't want Medicare Medicaid or Affordable Health Care so victims die and taxes can be reduced Immoral means to immoral ends includes Orwellian Repetitive Lies and Hitler Nixon type Machiavellian Divide and Conquer Wedge Issue Tactics so people vote against their own socio economic interests freedoms and rights
