into the romantic rant of a typical blues or teenage rock and roll song However even on this level it has an irony about it a sense of laughing at itself and at Dylan s Mr Jones who knows something is going on but just not what it is and then by extension all of us who have awakened to the fact that the studied Western world doesn t make sense all of us who struggle to find meaning in the nonsense images characters and happenings in the song and perhaps coming to a conclusion that the nonsense is the sense
