The Memoirs Of Lady Bustamante:

The Memoirs of Lady Bustamante Gladys Maud Bustamante,1997 *The Memoirs of Lady Bustamante* Gladys Maud Bustamante,1997-01-01 **The Memoirs of Lady Bustamante** Lady Bustamante,2024-06-21 Lady Bustamante grew up as Gladys Longbridge in the tiny village of Parson Reid near Ashton in Westmoreland She was a talented country girl and her friends and family persuaded her to finish her education in Kingston and make the most of her abilities They knew she would go far But who could have foreseen just how far she would go The village of Ashton is not easily found on any map of Jamaica It is as obscure today as it was when I was a child Still those of us who call it home are eternally proud of it the main road was a stony pot holed pathway cut out for horse and buggy carriages We had to follow a winding track up and down the hillside where the going and coming were even worse Before too long I would become deeply involved in the movement to reform Jamaica The folks at home would marvel at the fact that the quiet Sunday school organist from Ashton was at the forefront of a national upheaval fighting for the underpaid working class and the hungry unemployed To this day I cannot forget that even while feeling anxiety and resentment at Bustamante s arrest I could not hold back the tears at the sight of the cruelty meted out to St William Grant and for no sensible reason at all Adult Suffrage and Political Administrations in Jamaica 1944-2002 Trevor Munroe,Arnold Bertram,2006 Since 1944 the Jamaican people without ethnic or religious strife civil war military coup one party dictatorship assassination of political leaders insurgency or genocide have voted out governments and voted in opposition parties in free and fair elections a record in democratic governance equalled by only a handful of states worldwide In this volume Adult Suffrage and Political Administrations in Jamaica 1944 2002 Trevor Munroe and Arnold Bertram both active participants in this process document critical aspects of this record Key features include the elections through which the consolidation of democracy occurred the representatives their gender education occupation age whom the people chose to form 13 successive governments and parliaments the laws that the legislature passed and the institutions governments established in building a modern democratic state advances and failures political economic social and cultural of each administration comparison of the performances of successive administrations and the critical challenges facing the Jamaican people and the new leaders **BOOK JACKET** Public Secrets Henrice Altink,2019 Through case studies on amongst others the labour market education the family and legal system this book examines the salience and silence of race and colour in Jamaica in the decades preceding and following independence and its impact on individuals and society

Freedom's Children Colin A. Palmer,2014-02-03 *Freedom's Children* is the first comprehensive history of Jamaica s watershed 1938 labor rebellion and its aftermath Colin Palmer argues that a hundred years after the abolition of slavery Jamaica s disgruntled workers challenged the oppressive status quo and forced a morally ossified British colonial society to recognize their grievances The rebellion produced two rival leaders who dominated the political life of the colony through the achievement of independence in 1962 Alexander Bustamante a moneylender founded the Bustamante Industrial Trade Union

and its progeny the Jamaica Labour Party Norman Manley an eminent barrister led the struggle for self government and with others established the People s National Party Palmer describes the ugly underside of British colonialism and details the persecution of Jamaican nationalists He sheds new light on the nature of Bustamante s collaboration with the imperial regime the rise of the trade union movement the struggle for constitutional change and the emergence of party politics in a modernizing Jamaica

Memoirs George E. Eaton CD PhD LLD,2021-02-17 The value of this Memoir lies in the objective presentation of several key historical events in specific countries where the author lived and worked ranging from Canada through Africa and Europe to the Caribbean George Eaton Ph D was a founding faculty member of York University Toronto and at his retirement was Professor Emeritus Senior Scholar He was a man known for his clear objective perspective and his unshakeable sense of integrity and honour This Memoir offers extraordinary insights into the inner workings and behind the scene activities of post colonial African and Caribbean economies and their emerging national identities Eaton s seminal works entitled *The Development of Political Unionism* 1961 and *Alexander Bustamante Modern Jamaica* 1975 have both been critically acclaimed

The Influence of Small States on Superpowers Richard L. Bernal,2015-07-22 The conventional wisdom is that small developing countries exert limited if any influence on the foreign policy of superpowers in particular the United States This book challenges that premise based on the experience of the small developing country of Jamaica and its relations with the United States It raises the question if the foreign policy of the United States can be influenced by even a small developing country should Washington be worried

Colin Palmer's Trilogy on Imperialism in the Caribbean, Omnibus E-Book Colin A. Palmer,2014-03-01 This Omnibus E Book brings together all three of Colin A Palmer s books on the making of the modern Caribbean Included are *Freedom s Children* The 1938 Labor Rebellion and the Birth of Modern Jamaica This is the first comprehensive history of Jamaica s watershed 1938 labor rebellion and its aftermath The rebellion produced two rival leaders who dominated the political life of the colony through the achievement of independence in 1962 Alexander Bustamante a moneylender founded the Bustamante Industrial Trade Union and its progeny the Jamaica Labour Party Norman Manley an eminent barrister led the struggle for self government and with others established the People s National Party Palmer sheds new light on the nature of Bustamante s collaboration with the imperial regime the rise of the trade union movement the struggle for constitutional change and the emergence of party politics in a modernizing Jamaica

Cheddi Jagan and the Politics of Power British Guiana s Struggle for Independence Palmer here tells the story of British Guiana s struggle for independence The work details the rise and fall of Cheddi Jagan from his initial electoral victory in the spring of 1953 to the aftermath of the British orchestrated coup d etat that led to the suspension of the constitution and the removal of Jagan s independence minded administration Bringing the larger story of Caribbean colonialism into view this work shows how violence police corruption political chicanery racial politics and poor leadership delayed Guyana s independence until 1966 scarring the body politic in the process

Eric Williams and the Making of the Modern Caribbean In

this first scholarly assessment of Williams 1911 1981 founder of the Republic of Trinidad and Tobago s first modern political party and the nation s first prime minister Palmer explores his life as a scholar and politician and his tremendous influence on the historiography and politics of the Caribbean Palmer focuses especially on a 14 year period of independence struggles in the Anglophone Caribbean when Williams helped resolve regional disputes and promoted the creation of a pan Caribbean federation

A View From Mount Diablo Ralph Thompson,John Lennard,2009-01-01 In View from Mount Diablo Class and racial privilege and the resentments they provoke underscore both turmoil in wider society and the relationships at the heart of the narrative between Adam Cole a dreamy white boy driven by personal tragedy to crusading journalism squint eyed Nellie Simpson once a servant then a political enforcer and stuttering Nathan gardener and groom turned cocaine baron Beyond this trio is a dazzling array of real and fictitious characters The annotated edition by John Lennard Professor of British and American Literature at UWI Mona in Kingston allows the full scope of the verse novel to emerge for readers unfamiliar with Jamaican history since the 1930s

Red Seas Gerald Horne,2009-09-01 During the heyday of the U S and international labor movements in the 1930s and 1940s Ferdinand Smith the Jamaican born co founder and second in command of the National Maritime Union NMU stands out as one of the most if not the most powerful black labor leaders in the United States Smith s active membership in the Communist Party however coupled with his bold labor radicalism and shaky immigration status brought him under continual surveillance by U S authorities especially during the Red Scare in the 1950s Smith was eventually deported to his homeland of Jamaica where he continued his radical labor and political organizing until his death in 1961 Gerald Horne draws on Smith s life to make insightful connections between labor radicalism and the Civil Rights Movement demonstrating that the gains of the latter were propelled by the former and undermined by anticommunism Moreover Red Seas uncovers the little known experiences of black sailors and their contribution to the struggle for labor and civil rights the history of the Communist Party and its black members and the significant dimensions of Jamaican labor and political radicalism
