Thomas Hardy's *Jude the Obscure* suggests that World War I intensified but did not cause these anxieties. This book elaborates a nodal point which links death, masculinity and modernity long before the events of World War I. [Death Rides a Chestnut Mare](#) Ralph Compton, 1999-05-01. A woman sates her lust for vengeance in this Ralph Compton western. Waylaid by a pack of murdering outlaws, Daniel Strange's lifeless body is left dangling at the end of a rope. Now a mysterious gunslinger is on the vengeance trail, packing Strange's trademark twin Colts and answering to the same name. With fiery green eyes and a temper to match, he won't stop until every last man who killed Strange shares the same fate. And as each bullet finds its mark, his victims will die never knowing the truth that Daniel Strange may be dead and buried, but his daughter is alive and killing. *More Than Six Million* Ralph Compton Books In Print. **The Men in Her Death** Piers MARLOWE (pseud.), 1964. **Truth**, 1927. **The Poetical Works of G. H. With Life, Critical Dissertation and Explanatory Notes [by G. Gilfillan]. The Text Edited by C. C. Clarke. (The Synagogue, ... by C. Harvey.)**. George Herbert, 1873. **Heart of Fire** Kat Martin, 2015-07-20. From a New York Times bestselling author, a Victorian romance blessed with a strong plot and a rich cast, a surefire crowd pleaser. Publishers Weekly: As a viscount's daughter, vivacious Coralee Whitmore is perfectly placed to write about London's elite in the outspoken ladies' gazette *Heart to Heart*. But beneath her fashionable exterior beats the heart of a serious journalist. So when her sister's death is dismissed as suicide, Corrie vows to uncover the truth, suspecting the notorious Earl of Tremaine was Laurel's lover and the father of her illegitimate child. Corrie infiltrates Castle Tremaine, posing as a wide-eyed country relation whose charming figure and reduced circumstances make her irresistible to the confirmed scoundrel. But Corrie finds the earl is not all he seems, nor is she immune to his charms, however much she despises his caddish ways. Far from a society column, Corrie's life soon reads more like one of Mr Dickens's serials. But the danger of her ruse is hardly fictional; someone is bent on ensuring Corrie's questions go unanswered and unasked. **Celebrity Death Certificates 2** M.F. Steen, 2024-03-07. Literally the last word for Hollywood trivia, buffs a celebrity death certificate is also strangely compelling. Its matter-of-fact reportage makes the famous ordinary, illuminating previously well-lit profiles with the unfiltered light of the everyday. A death certificate may also reveal information that stars assiduously concealed, such as actual birthdates. In California, home to many of Hollywood's brightest stars, death certificates are a matter of public record and consequently an untapped mine of information. This follow-up to M.F. Steen's previous collection, 2003 reproduces in full 169 of the death certificates of the entertainment industry's dearly departed. Brief biographical notes are included, listing birth and professional name as well as notable film, TV and entertainment credits. Mel Blanc, Lorne Greene, John Ritter, Gregory Peck and Ronald Reagan are just a few of Hollywood's notables whose death certificates are collected here. **The Edinburgh Annual Register, for 1808-26**, 1823. A thorough account of Harriman's rise, which also manages to be a brisk, twisty read, riveting and revelatory. *The New Yorker*.
