Education**

The Merchant Of Venice Longman Study Texts:

Talking Back to Shakespeare Martha Tuck Rozett, 1994 This book is about the way in which Shakespeare's plays have inspired readers to talk back and about some of the forms such talking back can assume It is also about the way different interpretive communities including students read their cultural political and moral assumptions into Shakespeare's plays appropriating and transforming elements of plot character and verbal text while challenging what they see as the ideological premises of the plays Texts that talk back to Shakespeare pose questions offer alternatives take liberties and fill in gaps Some of the transformations discussed in Talking Back to Shakespeare challenge deeply held assumptions such as for instance that Hamlet is a tragic hero and Shylock a stereotypical grasping usurer Others invent prior or subsequent lives for Shakespeare's characters women characters in particular so as to account for their actions and imagine their lives more fully than Shakespeare chooses to do Very few of these works have received much critical attention and some are virtually unknown or forgotten Rather than a comprehensive study of Shakespeare transformations Talking Back to Shakespeare is an innovative exploration of the kinship between the kind of talking back that occurs in the classroom and the kind to be found in texts produced by writers who rewrite some of Shakespeare's most frequently taught and performed plays Such re-visions unsettle the cultural authority of the plays and expose the accumulated lore that surrounds them to probing often irreverent scrutiny Much of the talking back comes from marginalized readers women like Lillie Wyman author of Gertrude of Denmark An Interpretive Romance and other nineteenth century women critics or Jewish writers like Arnold Wesker whose play The Merchant transforms the relationship between Antonio and Shylock Some talking back comes from an international collection of oppositional voices of the 1960s including Charles Marowitz Aime Cesaire Eugene Ionesco and Joseph Papp Talking Back to Shakespeare ranges from popular books like the recent Pulitzer Prize winning novel A Thousand Acres by Jane Smiley to obscure seldom read ones like Percy MacKaye's ambitious four play prequel The Mystery of Hamlet King of Denmark What these published texts share with student journal entries and transformations is the assumption familiar to postmodern readers that Shakespeare's plays are essentially unstable culturally determined constructs capable of acquiring new meanings and new forms By bringing together these two kinds of talking back Rozett challenges the traditional separation between critical and pedagogical inquiry that has until recently dominated English studies

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved [The Bibliographer's Manual of English Literature, Containing an Account of Rare, Curious, and Useful Books, Published in Or Relating to Great Britain and Ireland, from the Invention of Printing ... and the Prices at which They Have Been Sold in the Present Century](#) William Thomas Lowndes, 1864 **The Bibliographer's Manual of English Literature** William Thomas Lowndes, 1863 *The bibliographer's manual of english literature* William Thomas Lowndes, 2023-03-16 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing

pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost

Catalogue of the Works of William Shakespeare, Original and Translated Boston Public Library. Barton Collection, 1878

A Bibliographical Account of the Works of Shakespeare, including every known edition, translation, and commentary. By H. G. Bohn. Printed off separately from his enlarged edition of the *Bibliographer's Manual* [of W. T. Lowndes] with some additions Henry George BOHN, 1864 The merchant of Venice, William Shakespeare Dieter Kranz, William Shakespeare, 1989 Catalogue of the Barton Collection Boston Public Library. Barton Collection, 1888 Course of Instruction for Commercial Superior Public (day Continuation) Schools New South Wales. Department of Education, 1912

Books in Series, 1876-1949 R.R. Bowker Company, 1982 *Revisionist Shakespeare* P. Cefalu, 2004-11-26 Revisionist Shakespeare appropriates revisionist history in order to both criticize traditional transitional interpretations of Shakespearean drama and to offer a new methodology for understanding representations of social conflict in Shakespeare's play and in Early Modern English culture Rather than argue that Shakespearean drama allegorizes historical transitions and ideological polarization Revisionist Shakespeare argues that Shakespeare's plays explore the nature of internally contradictory Early Modern institutions and belief systems that are only indirectly related to competing political and class ideologies Such institutions and belief systems include Elizabethan strategies for the management of vagrancy the nature of Jacobean statecraft objective and subjective theories of economic value Protestant ethical theory and Augustinian notions of sinful habituation The book looks at five of Shakespeare's plays *The Tempest* *Coriolanus* *The Merchant of Venice* *King Lear* and *Hamlet* *The English Catalogue of Books: v. [1]. 1835-1863* Sampson Low, James Douglas Stewart, 1864 *List of Books for School Libraries of the State of Oregon*, 1917 **Longman's English Classics** John Milton, 1896 **Catalogue of the Barton Collection, Boston Public Library** Boston Public Library. Barton Collection, 1888
