The Gospel According to Christ Mark A. Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians

The True Message of Jesus Christ Bilal Philips, *But We See Jesus* Stephen Kaung, 2016-11-16 Christianity is Jesus Christ It is not the teaching doctrine system or organization of Christ Rather it is Jesus Christ himself We need to see Him as God sees Him Yet this can only come about by revelation from above The Holy Spirit will reveal Jesus to us And when we do see Him as God sees Him we will fall down and worship Such then is the intent of this series of messages whose overarching theme is best summed up in the author's choice of title to the entire series But We See Jesus Hebrews 2:9a All nineteen messages were delivered by the author before a Christian audience in Richmond Virginia over a three year period commencing in the year 1992 May God use this volume to inspire His people to see the Savior and Lord we have so that we may truly worship Him with all our hearts and love Him with all our heart mind will and strength Jesus alone is worthy

Knechtle,Charles J. Sohlmann,1997 Liberating the Gospel David Smith,2020-04-28 Liberating the Gospel is prefaced by Tom Wright s claim that Christians have for too long read scripture with nineteenth century eyes and sixteenth century questions and that it is urgently necessary they learn to read with first century eyes and twenty first century questions The central section of the book concentrates on reading the narratives of the Galilean ministry of Jesus within their first century context then exploring Paul s mission in the setting of the urban and imperial world of Rome before offering reflection on the Apocalypse in the changed world following the destruction of Jerusalem Smith then concludes his treatise facing the twenty first century questions seeking to build a hermeneutical bridge to our globalized world As a whole this major book on Christian mission aims to contribute toward an understanding of how the dynamic message of Christ might be liberated to be heard as genuinely good news today in the process potentially transforming Christianity provided there is willingness to face opposition from a world resistant to the exposure of its injustices **A Critical Introduction to the New Testament** Carl R. Holladay,2011-07-01 This book introduces the New Testament in two senses it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament

has helped shape the church's identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church's faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul's decisive influence within the history of the church and western culture JESUS CHRIST jnr THROCKMORTON, The Message Eugene H. The Holy Book of Revelation C. Lincoln Humes, 2005-02-01 This book covers a study primarily a guideline to reading with a spiritual eye of The Book Of Revelation with new insight linking the teachings of Jesus Christ and end time prophecies of The Holy Scriptures The Holy Book of Revelation which is the final message of Jesus Christ is one of the least read books of The Bible and certainly most misunderstood It contains the detail accounting of end time prophecies identifying the beast the great whore and the end time power that will cause the breakdown of the global economy God in His omnipotence makes one final last ditch effort to see if humanity will comprehend His guideline for spiritual living Admittedly the Book of Revelation is hard to understand because there is a key needed just to make the reading flow accurately This missing key is now given to us to make clear the essential matters of true spirituality and accurate Christian living possible The key to unlocking the Book Of Revelation is the organization of and grouping of subject matters of similar themes Harvesting text in such a manner one sees streaming before him or her bite size the deep thoughts of God that are easier to comprehend Therefore in this study many texts have been grouped together based on subject matter and principles and not according to the old chapter markings Still the old verses and chapter notations are evident Secondly the symbols of the book are explained in footnotes making the message clear as to the teachings of God The Father and Jesus Christ Furthermore the message of God is enhanced by excerpts from other parts of the Holy Bible This brings home the dual principle of unification of Scriptures based understanding Here a little there a little truth is established and that the Scripture should interpret itself not that man need to embellish what God is saying to make it read something it is not saying 2 Peter 1 20 21 Many feeble attempts have been made to this end and now God has unlocked the true understanding of His Holy Word through this final book of
