The Messiahship Of Jesus What Jews And Jewish Christians Say:

The Messiahship of Jesus Arthur W. Kac, 1980-01-01 Three Perspectives: Jewish, Christian, and Muslim Steven H. Propp, 2009-12-30

You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world **Jews Or Christians?** Giorgio Jossa, 2006

When was Christianity born When was it that Christianity born as a particular current within Judaism constituted itself as a religion different and separate from the Jewish religion The question has been asked and the problem has therefore been considered since the historical critical investigation of Christian origins began However the problem has become acute only in the last few decades because of the occurrence of a whole series of circumstances and of reflections that have deeply changed the historiographic understanding regarding Judaism in the first century and thus the origins of Christianity as well Traditional opinion considered the founders of Christianity to be Jesus of Nazareth and Paul of Tarsus Recent studies however affirm that a Christian religion as distinct from the Jewish religion can be spoken of only much later and that for the entire first century and for at least a part of the second century Christianity was nothing more than a sect within Judaism Dealing with the problem from an historical point of view and thus considering not only Christianity of Jewish origin but also that of gentile origin Giorgio Jossa demonstrates that the birth of a Christian identity as distinct from Jewish identity must actually be dated back to the first period of life of the community of Jesus *The Case for Jesus the Messiah* John Ankerberg, 2011-12-03

Are there remarkable prophecies in the Hebrew Scriptures which identify a future Messiah Are these

prophecies so exact that they predict specific future events such as the exact time place of birth Have these prophecies been miraculously fulfilled If so what does this signify Could these prophecies indicate the Judeo Christian Scriptures are a divine revelation could they constitute evidence that even skeptics would have to consider In this book 3 scholars trained in apologetics comparative religion the Semitic languages the Old Testament examine the evidence for fulfilled prophecy Do you like mysteries Can you unravel from the Scriptural evidence the identity of the one predicted The authors approach to the topic is like searching for clues in a mystery novel If you have ever asked if there is evidence that reveals the reality nature of God the answers the authors have uncovered may cause you to reexamine your view of reality **The Jewish**

Reclamation of Jesus Donald Hagner,1997-04-04 How successful is the Jewish reclamation of Jesus in dealing with the data of the Gospels And how convincing It is Hagner s claim that the Jewish reclamation of Jesus has been possible only by a very selective reading of the Gospels **The Word of the Lord Shall Go Forth** Carol L. Meyers,Michael Patrick O'Connor,1983

This volume contains fifty two essays composed in honor of David Noel Freedman and organized around the topics Hebrew Poetry and Prophecy The Prose of the Hebrew Bible History and Institutions of Israel Northwest Semitic Epigraphy and Other Perspectives A bibliography of the honoree is included **Jewish Christians and Judaism** William Ritchie

Sorley,1881 **Jews and Judaism in the Middle Ages** Theodore L. Steinberg,2007-12-30 Although Jews constituted the largest minority in medieval Europe they tend to be largely ignored in general studies of the Middle Ages with the result that their history and culture are both overlooked and misunderstood Jews and Judaism in the Middle Ages attempts to correct that situation by presenting in clear and accessible language an introduction to Jewish thought as well as to medieval Jewish history and texts This volume examines the everyday life of medieval Jews in both Christian and Muslim environments looks at the causes of medieval anti Semitism and anti Judaism and includes a brief history of the persecutions to which medieval Jews were subjected Despite popular opinion today medieval Jewish life consisted of far more than persecution and suffering and the volume examines Jewish accomplishments in the fields of biblical commentary literature philosophy and mysticism demonstrating that Jewish life while often difficult also had its creative and glorious side Because the Talmud was the most important Jewish text throughout the Middle Ages this volume introduces readers to the intricacies of that long and involved work which helped to shape medieval Christianity **The Princeton Theological Review** ,1912 Neighboring Faiths

Winfried Corduan,2024-04-30 In this updated and revised edition of a classic text readers will find informed empathetic insights into world religions like Judaism Islam Hinduism Native American religion and many more Emphasizing both formal teaching and daily practice this text shows Christians how to engage adherents of these faiths in constructive dialogue

Judaism and Christianity in the Age of Constantine Jacob Neusner,2008-09-15 With the conversion of Constantine in 312 Christianity began a period of political and cultural dominance that it would enjoy until the twentieth century Jacob Neusner contradicts the prevailing view that following Christianity s ascendancy Judaism continued to evolve in isolation He

argues that because of the political need to defend its claims to religious authenticity Judaism was forced to review itself in the context of a triumphant Christianity The definition of issues long discussed in Judaism the meaning of history the coming of the Messiah and the political identity of Israel became of immediate and urgent concern to both parties What emerged was a polemical dialogue between Christian and Jewish teachers that was unprecedented In a close analysis of texts by the Christian theologians Eusebius Aphrahat and Chrysostom on one hand and of the central Jewish works the Talmud of the Land of Israel the Genesis Rabbah and the Leviticus Rabbah on the other Neusner finds that both religious groups turned to the same corpus of Hebrew scripture to examine the same fundamental issues Eusebius and Genesis Rabbah both address the issue of history Chrysostom and the Talmud the issue of the Messiah and Aphrahat and Leviticus Rabbah the issue of Israel As Neusner demonstrates the conclusions drawn shaped the dialogue between the two religions for the rest of their shared history in the West

Jewish Answers to Jewish Questions Concerning the Messiahship of Jesus Joseph David Office, 2007 This book will explore the Old Testament roots of Christianity and how that Judaism and Christianity are inherently the same this book expounds the well founded connection to Jesus and the ancient prophetic writings Prophecy is one of the single most powerful pieces of evidence of the supernatural workings of God on earth and hence a focal point for establishing the Messiahship of Jesus This book is essential for any non believer seeking a case for why he or she should believe that Jesus died was resurrected and that He is ultimately the Savior of our souls In addition the knowledge and understanding that can be gained are not just relevant for non believers but the book is also a powerful tool for Christians who don t know everything there is to know about Messianic prophecy When Christians also understand the true potency of their own faith they are better able to teach Christ to others The author is a recent college graduate having earned his BS in Biology from Valdosta State University in 2005 His life in serving God began at the age of 13 at which time he personally experienced the life changing power of Christ and hence the purpose filled journey began Now he hopes to help others to experience the miraculous power of Jesus that he experienced In relation to the writing of this book the inspiration was born out of a love for the Jewish people and a desire to see all of God s lost sheep saved In addition he also hopes to enlighten everyday Christians making them more aware of the power of the surety of their hope in Christ He currently resides in the southeastern United States

Radical Philosophy of Life Ernst Baasland, 2021-01-13 The Sermon on the Mount never ceases to challenge readers in every generation New methods and new insights into new surroundings have to be applied to the most influential speech ever given In this study Ernst Baasland takes a fresh look at the history of research done on it both on its broad influence and on the variety of interpretations The historical questions are seen from new perspectives Is orality the key to a better understanding To what extent can we reconstruct a pre text and the question of authenticity be answered These questions are seen through historiographical lenses The author argues in favour of a universal addressee and maintains that the speech contains radical philosophical thinking The first audience consisted of Jews and the religiously

based understanding of life is conceived within Judaism However its ethics of wisdom is developed in a Hellenistic setting and provides a radical philosophy of life **The Scattered Nation and Jewish Christian Magazine** Carl Schwartz,1871

Jews and Christians Jacob Neusner,2003-02-19 [A Thematic Access-Oriented Bibliography of Jesus's Resurrection](#)
Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Hugh Schonfield** Owen Power,2013-03-13 With this book Owen Power offers the first full length intellectual history of the thinker Hugh Schonfield 1901 1988 Power contextualises Schonfield and his work in the spheres of Jewish ideology and Messianic Jewish politics as a means to explain the complicated nature of Messianic Jewish identity There are many problems in making sense of the varied claims made about the Jewishness of Jewish Believers in Jesus as there is a striking lack of agreement as to their Jewish status among halakhic authorities and there is no real consensus among Messianic Jews themselves in answering the question Who is a Messianic Jew On the other hand the attitude of many Jewish commentators regarding Messianic Jews is that they are traitors and apostates pretending to be Jews Christian missionaries hell bent on enticing Jews from their communities to the welcoming embrace of the Church Normative Jewish opinion tends to treat Jewish Believers in Jesus as a monolithic group and thus fails to recognise the wide range of groups and individuals who claim to be Messianic Jews even if there is among them little consensus as to what such a label means Schonfield s case both reinforces such convictions and problematizes them [The Lord's Words](#) Michael Theobald,2025-11-11 The great Johannine speeches of Jesus in the fourth gospel exert an unbroken magic on their listeners They accomplish this by use of vivid imagery e g bread vine shepherd way and their many repetitions of crucial insights What seems at first monotonous actually draws one into a deep spiral of knowledge Apart from a few exceptions interpreters of John s gospel agree The historical Jesus did not speak as John styles his Jesus If the goal is to reconstruct the message and words of the historical Jesus one will have to turn to the synoptic gospels The Lord s Words develops a new explanation

model for the genesis of the Johannine Jesus speeches These speeches are based on core words from the Johannine church tradition which the evangelist received reflected in the monologues and dialogues of the gospel and so worked out his speech compositions The study is not as in an older branch of research the apologetic attempt to connect John to a presumed Jesus tradition by tracing the development of the words of the Lord Rather the book focuses upon the literary and theological hermeneutics of the evangelist in dealing with those good words At the same time the book pursues the goal of uncovering the origins of the high Johannine Christology Wisdom Christology investigating the trauma of the Johannine Christians schism from the Jewish synagogue
