**The Messianic Hope** Arthur W. Kac, 1975 A Primer on Messianic Prophecy Cynthia C. Polsley, 2023-10-13 An introduction and survey that digs into the Bible's picture of the Messiah's entire career from Genesis to Revelation A Primer on Messianic Prophecy is for anyone interested in learning more about Messianic prophecy its support for Jesus identity as the Christ and its meaning for our present and future Exploring the Messiah's First and Second Comings as they are described throughout the Bible and with attention to archaeology biblical feasts and the Jewish wedding system history and current events this Scriptural synopsis examines Messianic prophecies that span all of time Some are fulfilled yet many are to come Covering topics from the beginning of creation to the last days and beyond A Primer on Messianic Prophecy is a foundational and inspirational text for readers wanting a better understanding of the Bible's intricate inerrancy and picture of the key figure throughout Scripture Jesus Christ Lamb of God and Lion of Judah The Case for Jesus the Messiah John Ankerberg, 2011-12-03 Are there remarkable prophecies in the Hebrew Scriptures which identify a future Messiah Are these prophecies so exact that they predict specific future events such as the exact time place of birth Have these prophecies been miraculously fulfilled If so what does this signify Could these prophecies indicate the Judeo Christian Scriptures are a divine revelation could they constitute evidence that even skeptics would have to consider In this book 3 scholars trained in apologetics comparative religion the Semitic languages the Old Testament examine the evidence for fulfilled prophecy Do you like mysteries Can you unravel from the Scriptural evidence the identity of the one predicted The authors approach to the topic is like searching for clues in a mystery novel If you have ever asked if there is evidence that reveals the reality nature of God the answers the authors have uncovered may cause you to reexamine your view of reality The Uniqueness of Jesus Christ Yusufu Turaki,2009 Genesis Miquel A. De La Torre, 2011-10-23 This volume in the Belief series provides a new and interesting theological interpretation of Genesis through the themes of liberation and the concerns of the poor and marginalized De La Torre wrestles with Genesis texts remembering Jacob's wrestling at Peniel Gen 32 24 32 and finds that there are consequences when we truly wrestle with the biblical text struggling to see the face of God This commentary provides theological and ethical insights that enables the book of Genesis to speak powerfully today Three Perspectives Steven H. Propp, 2009-12 You re Jewish aren t you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same

for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the author's earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world A Timeless Script From a 1st Century Doctor Rick Farmer, 2024-09-26 Before Dr Farmer I absolutely hated school Dr Farmer saw me as a human being not just a student He forced me to think for myself He was my professor and my mentor He pushed me to see there are no limits to my opportunities to come Dr Farmer believed in me when I did not believe in myself whether making a jump shot or making a good grade Tianna G Crockett M A Bluefield University Rick Farmer combines keen biblical insights with a wise devotional heart as he leads the reader through the unique and powerful advent of Christ contained in the Gospel of Luke Rick's A Timeless Script is just what the doctor ordered for those looking for a Guide through Advent and beyond Henry W Clary Ph D Professor Bluefield University We re sick and in desperate need of a doctor to both diagnose and treat In A Timeless Script from a 1st Century Doctor Dr Rick Farmer wisely recommends Luke s Gospel written by a physician whose treatment plan would be initially resisted or downright rejected by most But Luke's Gospel specifically the first two chapters highlight the uniquely universal cure capable of healing us all The Advent of Christ The story of the birth life death and resurrection of Jesus who embarked on a mission to save teach and heal offers a remedy for all Despite the heartache pain and suffering found in this timeless story it is the miraculous truth of faith hope and love that provides us with the prescription we desperately need If you are seeking to be restored to a healthy state of mind and body so you can live a life of meaning and purpose look no further Scott Weibling Author of River Guide Published by Scott Weibling 2017 **Jesus Christ in World History** Jan A. Re-imagining African Christologies Victor I. Ezigbo, 2010-02-08 Who do you say that I am Mark 8 29 is the question of Christology By asking this question Jesus invites his followers to interpret him from within their own contexts history experience and social location Therefore all responses to Jesus s invitation are contextual But for too long many theologians

particularly in the West have continued to see Christology as a universal endeavor that is devoid of any contextual influences This understanding of Christology undermines Jesus s expectations from us to imagine and appropriate him from within our own contexts In Re imagining African Christologies Victor I Ezigbo presents a constructive exposition of the unique ways that many African theologians and lay Christians from various church denominations have interpreted and appropriated Jesus Christ in their own contexts He also articulates the constructive contributions that these African Christologies can make to the development of Christological discourse in non African Christian communities *Andrea Carter and the Family Secret* Susan K.
