The Middle East Supply Centre:

Some Facts about the Middle East Supply Centre Middle East Supply Centre, 1944 M.E.S.C. ,1944 The Middle East Supply Centre Martin W. Wilmington, 1972 **The Middle East Supply Center (MESC)** United States. Foreign Economic Administration Special Areas Branch. Middle East Division, 1944 A report to the Director General Middle East Supply Centre al-Qāhira Middle East Supply Centre, 1946 The Work of the Middle East Supply Centre During the European War , 1945 **The Middle East** Ewan W. Anderson, 2024-11-01 Although the focus is on geopolitics rather than regional geography the aim of the book is to provide a reorientation while maintaining an essential continuity with W B Fisher's book of the same name the seventh edition of which was published in 1978 A comprehensive account is provided of the physical and human geography of the region and in this certain sections from Fisher's book have been retained Based on the geography a geopolitical assessment is then made of the states of the Middle East and of the major issues such as water and conflict which illustrate the interplay of geography and politics With comprehensive illustrations this is a lively and much needed book based upon a well respected work providing an excellent synopsis of the complexities that make the Middle East such an intriguing and important global region **War, Institutions, and Social Change in the Middle East** Steven Heydemann, 2000-12 A fresh look at the effects of war on state and society in the Middle East challenging traditional assumptions based on European experience The authors argue that war has destabilized Middle Eastern states and eroded national cohesion **Federal Records of World War II.: Civilian agencies** United States. National Archives and Records Service, 1951 **Agricultural report** Middle East Supply Centre. al-Qāhira, 19?? *Britain and the Politics of Modernization in the Middle East, 1945-1958* Paul W. T. Kingston, 2002-11-07 In an historically informed critique of the theory and practice of development assistance this book examines Britain's foreign aid programme in the Middle East in the 1940s and 1950s After an assessment of the origins of what was dubbed the peasants not pashas policy notably the link between development sterling balances and post war imperial strategy the author focuses on planning and policy debates between British development experts their American rivals and Middle Eastern technocrats These debates which centred on issues such as afforestation irrigation and rural credit raise important questions about the nature and limits of the development process within the Middle East and the Third World which the author explores in his analysis This 1996 book will be of interest to development practitioners and scholars in development studies as well as to students of Middle East and imperial history **Middle East** Ewan Anderson, 2013-06-17 Middle East is a lively and much needed update of a well respected work Based on W B Fisher's book of the same name published in 1978 Anderson provides a comprehensive account of the physical geography which has been so instrumental to the make up of the geopolitics of the region The book also covers the sociology religion society and economy of the region With comprehensive illustrations and maps it provides an excellent synopsis and critique of the complexities which have made this an intriguing and important regional

geographical study **The Economic Structure of the Middle East** Z. Y. Hershlag, 2023-10-09 **The Middle East** Peter Beaumont, G.H. Blake, J. Malcolm Wagstaff, 2016-04-14 This book first published in 1976 and in this second edition in 1988 combines an examination of the political cultural and economic geography of the Middle East with a detailed study of the region's landscape features natural resources environmental conditions and ecological evolution The Middle East with its extremes of climate and terrain has long fascinated those interested in the fine balance between man and his environment and now its economic and political importance in world affairs has brought the region to the attention of everybody *The Middle East (Routledge Revivals)* W. B. Fisher, 2013-09-13 In this comprehensive study first published in 1950 Professor Fisher examines all the principal elements physical and human that influence environment development and ways of life in the Middle East An analysis of the physical basis of the region is followed by detailed treatment of the complex human and social aspects a concluding section brings together on a regional basis the elements discussed in the first two parts With first hand experience within the Middle East Fisher presents a detailed and fascinating study based on surveys and investigations he personally carried out Including wide ranging geographical historical sociological and political perspectives this title provides essential background to anyone with an interest in Middle Eastern affairs **The Middle East and North Africa in World Politics** J. C. Hurewitz, 1979-01-01 *A Concise History of the Middle East* Ibrahim Al-Marashi, Arthur Goldschmidt Jr., 2018-09-03 A Concise History of the Middle East provides a comprehensive introduction to the history of this turbulent region Spanning from pre Islam to the present day it explores the evolution of Islamic institutions and culture the influence of the West modernization efforts in the Middle East the struggle of various peoples for political independence the Arab Israel conflict the reassertion of Islamic values and power the issues surrounding the Palestinian Question and the Middle East post 9 11 and post Arab uprisings The twelfth edition has been fully revised to reflect the most recent events in and concerns of the region including the presence of ISIS and other non state actors the civil wars in Syria and Yemen and the refugee crisis New parts and part timelines will help students grasp and contextualize the long and complicated history of the region With updated biographical sketches and glossary and a new concluding chapter this book remains the quintessential text for students of Middle East history **A Concise History of the Middle East** Arthur Goldschmidt Jr., 2018-03-05 An introduction to the history of this turbulent region from the beginnings of Islam to the present day this widely acclaimed text by Arthur Goldschmidt Jr is distinguished by its clear style broad scope and balanced treatment This book explores the evolution of Islamic institutions and culture the influence of the West the modernization efforts of Middle Eastern governments the struggle of various peoples for political independence the Arab Israeli conflict the reassertion of Islamic values and power the issues surrounding the Palestinian Question and the post 9 11 Middle East The eleventh edition has been fully revised to reflect the most recent events in and concerns of the region including an expanded and more nuanced discussion of the War on Terrorism and the Arab uprisings coverage of the rise of ISIS and a new chapter on the

growing environmental problems of the region In addition the authors have incorporated new scholarship on the early history to provide a fuller picture of the political shifts and socioeconomic concerns of that time With updated bibliographical sketches chronology and glossary A Concise History of the Middle East remains an essential text for students of Middle East history Global and Regional Approaches to Arms Control in the Middle East Gamal M. Selim, 2013-07-11 Since the end of the Cold War the Middle East has been the focus of various projects for the establishment of arms control including CBMs regimes Whereas some of these projects were initiated at the global level others were discussed and debated at the regional level This book analyses the global and regional dynamics of arms control in the Middle East in the post Cold War era It examines American and European arms control projects the contexts in which they were presented the reactions of major regional actors and their impacts on arms control efforts in the region It assesses Arab perceptions of the motivations for and constraints on establishing arms control regimes It also explores the prospects of regional arms control in the context of the ongoing Arab Spring with its ramifications for Arab regional politics and provides a new perspective on arms control in the Middle East This volume enriches the ongoing discourse which to date has been dominated by mainly Western perspectives
