The Military Life Of Abraham Lincoln Commander In Chief:

The Military Life of Abraham Lincoln, Commander in Chief Trevor Nevitt Dupuy, 1969 Discusses Lincoln's military direction of the Civil War *The Military Life of Abraham Lincoln, Commander in Chief;;The Life and Times of Abraham Lincoln, Sixteenth President of the United States* Trevor Nevitt Dupuy, 1969 Tried by War James M. McPherson, 2008 Evaluates Lincoln's talents as a commander in chief in spite of limited military experience tracing the ways in which he worked with or against his senior commanders to defeat the Confederacy and reshape the presidential role *The Life and Martyrdom of Abraham Lincoln* David Brainerd Williamson, 1864 Life and Public Services of Abraham Lincoln David Brainerd Williamson, 1864 **The Life, and Martyrdom of Abraham Lincoln** , 1864 Lincoln's Men William C. Davis, 1999-07-14 I sit down to write you a Soldier's Friend My kind Friend of Friends you have the power to help me a grate deal I have great Confidence in our Good President hoe has dun a grate deal for us poor Soldiers So wrote Private Joe Hass to Abraham Lincoln February 20 1864 Like an extraordinary number of his fellow Union soldiers he loved Lincoln as a father Lincoln inspired feelings unlike those instilled by any previous commander in chief in America In *Lincoln's Men* William C Davis draws on thousands of unpublished letters and diaries to tell the hidden story of how a new and untested president could become Father Abraham throughout both the army and the North as a whole How did the Army of the Potomac yearning for the grandeur of McClellan turn instead to the comfort of Old Abe and how was this change of loyalty crucial to final victory How did Lincoln inspire the faith and courage of so many shattered men wandering the inferno of Shiloh or entrenched in the siege of Vicksburg Why did soldiers visiting Washington feel free to stroll into the White House and sit down to relax as if it were their own home Davis removes layers of mythmaking to recapture the moods and feelings of an army facing one of history's bloodiest conflicts Tracing the popular fate of decisions to invoke conscription to fire McClellan and to free the slaves *Lincoln's Men* casts a new light on our most famous president the light that is of the peculiar mass medium that was the Union Army A motley band of talkers and letter writers the soldiers spread news of Lincoln's appearances like wildfire chortling at his ungainly posture in the saddle rushing up to shake his hand and talk to him The volunteers knew they could approach Old Abe Honest Abe Uncle Abe and Father Abraham and they cheered him thunderously The men could not be restrained from so honoring him said Private Rice Bull He really was the ideal of the Army The story of the making of Father Abraham is the story of America's second revolution its rebirth As one Union soldier and journalist put it Washington taught the world to know us Lincoln taught us to know ourselves The first won for us our independence the last wrought out our manhood and self respect **Lincoln and the Military** John F. Marszalek, 2014-11-03 When Abraham Lincoln was elected president of the United States in 1860 he came into office with practically no experience in military strategy and tactics Consequently at the start of the Civil War he depended on leading military men to teach him how to manage warfare As the war continued and Lincoln matured as a military leader however he

no longer relied on the advice of others and became the major military mind of the war In this brief overview of Lincoln's military actions and relationships during the war John F Marszalek traces the sixteenth president's evolution from a nonmilitary politician into the commander in chief who won the Civil War demonstrating why Lincoln remains America's greatest military president As tensions erupted into conflict in 1861 Lincoln turned to his generals including Winfield Scott George B McClellan and Henry W Halleck for guidance in running the war These men were products of the traditional philosophy of war which taught that armies alone wage war and the way to win was to maneuver masses of forces against fractions of the enemy at the key point in the strategic area As Marszalek shows Lincoln listened at first and made mistakes along the way but he increasingly came to realize that these military men should no longer direct him He developed a different philosophy of war one that advocated attacks on all parts of the enemy line and war between not just armies but also societies Warfare had changed and now the generals had to learn from their commander in chief It was only when Ulysses S Grant became commanding general Marszalek explains that Lincoln had a leader who agreed with his approach to war Implementation of this new philosophy he shows won the war for the Union forces Tying the necessity of emancipation to preservation of the Union Marszalek considers the many presidential matters Lincoln had to face in order to manage the war effectively and demonstrates how Lincoln's determination humility sense of humor analytical ability and knack for quickly learning important information proved instrumental in his military success Based primarily on Lincoln's own words this succinct volume offers an easily accessible window into a critical period in the life of Abraham Lincoln and the history of the nation Lincoln's War Geoffrey Perret,2004 The first full length account of Abraham Lincoln as commander in chief shows how Lincoln created this role and in doing so saved the Union transformed the presidency shaped a nation and found himself

How Abraham Lincoln Fought the Civil War Laura Helweg,2017-07-15 Abraham Lincoln is the only US president to have had his entire term encapsulated by war Through primary sources images and compelling narrative students will learn how President Lincoln approached and executed the seemingly impossible job of chief commander of the Union army during the Civil War They will discover Lincoln's hands on management of battlefield strategy his creative tactics for dealing with difficult generals and ruthless political opponents and his unfaltering conviction that the Union must be saved at all cost

Chief L-Comdr Michael S. Trench,2014-08-15 This is a study of the effectiveness of Abraham Lincoln and Jefferson Davis as Commanders in Chief during the Civil War It begins by comparing their backgrounds prior to assuming the Presidency then comparing their military strategies and command structures The final area of comparison is their involvement in the first military draft in American history Davis had extensive government and military experience but exhibited personality traits early on that later hampered his performance as a war time Commander in Chief Lincoln had very little experience but excelled at dealing with people Lincoln tried several staff arrangements before finally appointing Grant as General in Chief Davis changed his structure very little throughout the war Although he appointed Lee as General in Chief in the first year he lost his services by placing him in command of a field army Both faced strong challenges from a powerful governor over the draft Davis first tried to win over the governor then appealed directly to the people Lincoln publicly kept distant from the draft and worked behind the scenes **Abraham Lincoln, Commander-in-chief of the Army and Navy of the United**
