The Political Economy Of African Foreign Policy Comparative Analysis:

The Political Economy of African Foreign Policy Timothy M. Shaw, Olajide Aluko, 1984 African Foreign Policies Gilbert M. Khadiagala, Terrence Lyons, 2001 This treatment of the relationship between domestic and international politics analyzes efforts by African states to manage their external relations amid shifts in the internal regional and global environments The study traverses the continent identifying patterns of change examining constraints and giving attention to the processes that influence policy outcomes Contributors include scholars of political science international relations African studies and conflict analysis c Book News Inc

The Political Economy of Foreign Policy in Southeast Asia David Wurfel, Bruce Burton, 2016-07-27 This is the first book in several years to review the foreign policies of major Southeast Asian states and the first ever to include those frequently neglected smaller states It is also unique in the editors adherence to a new comparative framework which attempts to weave together the earlier literature on comparative foreign policy analysis and current concepts of political economy Comparative foreign policy studies are introduced by three distinguished scholars in that field A general survey of international relations in Southeast Asia then precedes the country chapters all authored by experienced specialists A concluding chapter attempts to identify the emerging patterns of Southeast Asian foreign policy and suggest explanations for them

Towards a Political Economy for Africa Timothy M Shaw, 1985-02-07 *African Foreign Policies* Paul-Henri Bischoff, 2020-03-26 This book explores at a time when several powers have become serious players on the continent aspects of African agency past and present by African writers on foreign policy representative of geography language and state size In the past African foreign policy has largely been considered within the context of reactions to the international or global external factor This groundbreaking book however looks at how foreign policy has been crafted and used in response not just to external but also mainly domestic imperatives or theoretical signifiers As such it narrates individual and changing foreign policy orientations over time and as far back as independence with mainly African based scholars who present their own constructs of what is a useful theoretical narrative regarding foreign policy on the continent how theory is adapted to local circumstance or substituted for continentally based ontologies The book therefore contends that the African experience carries valuable import for expanding general understandings of foreign policy in general This book will be of key interest to scholars and students of Foreign Policy Analysis Foreign Policy Studies African International Relations Politics Studies Diplomacy and more broadly to International Relations *Nigerian Foreign Policy* Timothy M. Shaw, Olajide Aluko, 1983-06-18 **The Political Economy of Foreign Policy in ECOWAS** Timothy M Shaw, Julius Emeka

Okolo,1994-05-13 Both political economy and foreign policy have been transformed in the sixteen states of West Africa at the start of the 1990s because of interrelated external factors end of the Cold War and start of a New International Division of Labour and internal factors national structural adjustment programmes Sixteen leading analysts of new regional relations of both cooperation and conflict offer original revisionist insights into ECOWAS and ECOMOG debt and democracy reform and resistance The mixture of case studies and comparative analyses constitutes a comprehensive overview of West African actors issues structures perspectives and possibilities at the end of the century with relevance for development discourses and directions in other peripheral regions Together these offer timely redefinitions and reconceptualisations of central notions like civil society diplomacy foreign policy peacekeeping security and self reliance for political economies and cultures throughout the South

African Foreign Policies Stephen Wright,2018-02-22 This volume of thirteen original essays provides a timely analysis of African foreign policies in a post Cold War environment where African marginalization from the global economy appears to be increasing Three thematic essays give an overview of critical changes occurring in African foreign policies and ten country by country case studies provide specific analyses of decisionmaking intraregional relations and the struggles over policy with external agencies including the World Bank and the International Monetary Fund *African Foreign Policies* offers explanations for how African states are adapting to the international challenges of the late twentieth century

Globalization and Emerging Trends in African States' Foreign Policy-Making Process Rok Ajulu,2020-09-10 This title was first published in 2002 The resurgence of the democratization movement in Africa in the post Cold War era is gradually replacing authoritarianism with forms of democratic systems These changes have put into question the traditional big man image of African states foreign policy and foreign policy making The first book of its kind to focus on the foreign policy making process of Southern African countries in the era of globalization these instructive and rewarding case studies contextualize the increasing involvement of other internal actors in African states foreign policy making process Foreign policy actors such as the Presidency Ministries of Defence Foreign Affairs Trade Finance and the Intelligence Community among others are examined in a comparative perspective
