The Prediction Of Communist Economic Performance:

The Prediction of Communist Economic Performance P. J. D. Wiles, 1971 This study represents attempts dating from 1967 by nine experts on Communist economics to forecast the performance of individual Communist countries These predictions provide a great deal of comparable information and make experimental use of elementary econometrical techniques which have rarely been applied to these countries before The book also contains as a unique feature criticism and self criticism of the predictions of 1967 here reproduced unchanged in the light of subsequent events A most valuable by product is the analytical comparison of planning procedures and of agricultural ownership country by country so that the differing progress of the reforms can be easily grasped The Prediction of Communist Economic Performance P. J. F. Wiles, 1971 *India's Economic Relations with the USSR and Eastern Europe 1953 to 1969* Asha L. Datar, 2010-06-10 The author traces the history of economic relations between India and the Soviet Union after they signed a treaty of mutual military protection in 1971 and draws conclusions on the advantages and disadvantages of the close ties of a developing country with the centrally planned economies *Internationalism and the Ideology of Soviet Influence in Eastern Europe* Jonathan C. Valdez, 1993-04-29 Valdez argues that the use of the fundamental principles of Marxism Leninism to perform various functions ultimately brought about a change in the basic assumptions of the theory itself This resulted in the abandonment of the previous insistence on a universal model of socialism and of the idea that the international interests of the socialist bloc must take precedence over individual national interest Soviet influence in Eastern Europe rested on little else than these ideological principles and consequently stood little chance of surviving their re interpretation Finally Valdez assesses the re interpretation of the fundamental principles of Soviet East European relations by reformist scholars in the Soviet Union and the response by conservative members of the party apparatus Poland's Journalists Jane Leftwich Curry, 1990-02-22 Originally published in 1990 Polish Journalists Professionalism and Politics is a study of how in the face of constant political instructions and restrictions Polish journalists act as independent forces in their society **Advertising and socialism: The nature and extent of consumer advertising in the Soviet Union, Poland** Philip Hanson, 2017-07-28 This study looks at the tiny but growing volume of consumer advertising even in countries such as the Soviet Union which had detailed central planning and substantially more in the recently decentralised Hungarian economy and pre invasion Czechoslovakia And of course outside the Soviet orbit there was the relatively market oriented and Westernised Yugoslav economy This suggested that there were after all some interesting questions to answer Why did an administrative economy like the Soviet one have any domestic consumer advertising at all and why was it apparently growing What did evidence from Hungary and Yugoslavia suggest about the scale and functions of advertising in more decentralised socialist economies This title was first published in 1974 **The Agrarian Policy of the Russian Socialist-Revolutionary Party** Maureen Perrie, 1976 The Socialist Revolutionary SR party gained an overall majority in the election to the Russian Constituent

Assembly which was dissolved by the Bolsheviks in January 1918 The SRs derived the bulk of their electoral support from the peasantry and the gulf between the predominantly urban Bolshevik party and the rural masses was to create immense problems for the Soviet government in the 1920s culminating in the horrors of forced collectivization The SRs offered an alternative vision of the Russian peasant's path to socialism They were closer to the peasantry than any other revolutionary party and more aware of the problems involved in implementing a socialist transformation of Russian agriculture In this study the author traces the development of SR agrarian policy in the party's formative years from the period of disillusionment which followed the failure of the Populist movement to the people of the 1870s through the revolutionary years 1905-7 to the subsequent reaction under Stolypin

Neo-Slavism and the Czechs 1898-1914 Paul Vyšný, 1977-01-13 Originally published in 1977 this book analyses the Neo Slav movement using an exceptionally wide range of Czech primary sources It analyses the conditions in the Czech lands of the Habsburg Empire which gave rise to Neo Slavism traces the development of the movement and examines the responses it induced amongst other Slav peoples

Education and Social Mobility in the Soviet Union 1921-1934 Sheila Fitzpatrick, 2002-05-16 A history of Soviet education policy 1921-34 this is a sequel to the author's highly praised Commissariat of Enlightenment

Socialisation Through Children's Literature Felicity Ann O'Dell, 2010-06-24 Felicity O Dell analyses the moral content of stories read by Russian primary school children and asks what values are taught and how they reflect ideology She also questions how successfully the educational process instils the values of Soviet socialism and documents how children's literature mirrors the development of Russian society
