Naming Our Sins Jana Bennett, David Cloutier, 2019-05-24 What would it take to renew our ability to name our sins in a meaningful and pertinent way Naming sins is a particularly important task for Catholic moral theology but it is one that often falls back into a paradigm of simple violations of rules While laws and commandments are essential Vatican II's universal call to holiness and the revival of virtue ethics require moving further Yet in part because moral theologians today tend to be lay people not priests there has been a de emphasis on the confession of sins Contemporary questions like poverty racism and abortion are usually connected to questions about sin in some way but they are disconnected from the idea of naming specific sins in the sacrament of penance Lay moral theologians raise these issues in a way that makes clear their implications for a parish social justice committee or the voting booth but not their implications for the naming of sins in the sacrament of reconciliation Naming Our Sins proposes to re make that connection the moral theologian's task of helping people name individual sins needs to be restored though in ways distinctive from dominant pre Vatican II notions In this volume editors Jana Bennett and David Cloutier gather some of the best of the current generation of moral theologians in order to reflect on the classic tradition of the vices It is crucial to the Christian understanding of sin that we recognize a we bear at least some responsibilities for injuries and b God wants us to participate in the process of healing and conversion Neither the sin itself nor the healing simply come from somewhere else the task of naming sins enlists us as mature growing disciples Each chapter takes on a different classical vice describing the vice exploring its dimensions in contemporary experience and moving the reader toward naming specific sins that arise from the vice The concluding chapters from

Stopa,2022-11-23 Everyone likes to be kissed Whenever Jesus graces us and gives us the kiss of friendship we must respond Do we give Him the kiss of gratitude or like Judas the deceitful kiss inspired by the seven deadly sins Spencer F Stopa MA sacred theology Katholieke Universiteit Leuven is a retired psychiatric and rehab nurse His hobbies include gardening and reflecting on the human condition through a Christian lens He lives in Mesa Arizona with his wife of thirty nine years 120 *Aging Matters* R. Paul Stevens,2016 Academy of Parish Clergy s Top Ten Books for Parish Ministry Vocational discernment says R Paul Stevens is a lifelong process one that takes on even more significance in later life In this book Stevens argues that our calling does not end with formal retirement to the contrary we do well to keep on working if possible till life s end Stevens delves into matters of calling spirituality and legacy in retirement showing that we must continue to discern our vocation as we grow older in order to remain meaningfully engaged for the rest of our lives He reframes retirement as a time of continued calling and productivity and points to biblical wisdom that can help us redefine aging as an extraordinarily fruitful season of life **Raw Spirituality** Tom Smith,2014-07-01 How do we allow the life of Jesus to flow through our whole bodies into our everyday lives Having Jesus in our hearts is not enough In this whole life approach to Christian formation Tom Smith directs us into a rhythm of life that that brings flourishing to our personal spirituality that then extends to our service in the world Practicing God's Radical Forgiveness Jeffrey Bullock,2018-08-16 Forgiveness marks one of the most important issues of our time If the enormous number of books and articles are a measure then forgiveness our forgiveness of others and forgiveness for ourselves appeals to our deepest concern It s a challenge to determine just what we mean when we speak of forgiveness Any discussion will reveal that our shared understanding and practices of forgiveness quickly diverge For example is it the same thing to forgive a child a criminal a malicious acquaintance or someone who s inadvertently done us harm Likely no We ll discover in this book that how we understand and practice forgiveness has shifted and changed through history formed by cultural context Even biblically our understanding of

forgiveness has altered over time We ll unpack the importance of this cultural history and then turn to the three strands of forgiveness that together form our modern practice of forgiveness First the personal and therapeutic forgiveness Second the communal forgiveness that s valued for its power to resolve conflict renew relationships and restore peace Finally the divine God s absolute unconditional forgiveness a forgiveness we ll discover that undergirds every other way we understand forgiveness

Eucharistic Reciprocity A. William DeJong,2019-11-11 This volume probes the nature of gratitude as a virtue and identifies its moral value in the Christian life in order to enhance pastoral effectiveness in ministering to those gripped by sins of desire Such impulses are explored in terms of the seven deadly sins which this inquiry regards as distorted desires for the good God provides Utilizing a method of mutual critical correlation this volume brings philosophical and psychological claims about gratitude into conversation with the Christian tradition On the basis of an ontology of communion in which humans are inextricably situated in giving and receiving relationships with God others and the world this inquiry defines gratitude as a social response involving asymmetrical agapic reciprocity whereby a recipient freely joyfully and fittingly salutes a giver for the gift received in order to establish maintain or restore a personal and peaceable relationship Critiquing especially the reductions of gratitude by Aristotle and Jacques Derrida this inquiry recommends gratitude as a virtue which when embodied practiced and ritualized especially though not exclusively in the Eucharist has potential to repel the destructive idolatries generated by the seven deadly sins and thus function as a crucial ingredient in human social flourishing Familiarity with the virtue of gratitude as a vital ingredient in moral flourishing therefore equips pastors for greater ministerial effectiveness

Preachers Dare Bishop William H.
