**The Sins of Boggy Creek** Patsy Lewis, 2003-10-06 After several years spent in England Benjamin Crane returned to Louisiana to become the new pastor of the town of Boggy Creek Underneath the picturesque facade of the small Louisiana settlement evil undercurrents moved eating away at the moral fiber of the settlers Even as many were baptized in the clear running creek the sinister regions of Devil Swamp were filled with provocative music and haunting voices The invasion of immorality greed and all that is vile in man moved from the saloon on the edge of town even to the most respected member of Benjamin A a s congregation Unexpected disappearances quickly push the town to the edge of hysteria causing a sudden increase in church attendance But can even the prayers of the man of God overcome the power of evil lurking in the shadows ready to claim another soul

where did they all come from With the Word of Jehovah God you will see the doors that the Lord has been showing the author that demons use to come in and steal and kill from us concerning our treatment and care of our animals A demon will use a persons lack of wisdom in the Word of God to lead them astray This book will help you to make the right choices for your animals well being and yours Take care of the animals that God has put into your life You never thought that demons could use your ill treatment of the animals in your care as a door to attack and steal from you before but they do Now you will be equipped with the biblical wisdom in this book to shut those doors and push those thieving devils right out of your finances and life forever **Tablelands of North Queensland** Queensland Government Intelligence and Tourist
