and sentenced to a future of forced labour Irena's fortunes were to change dramatically after Hitler's attack on Russia She charts the adventure and horror of life as a military nurse with the Polish Army on a journey that would take her from the wastes of Soviet Central Asia through the Middle East to an unlikely ending in the highlands of Scotland The story concludes with Irena's search to discover the wartime and post war fate of her family and friends on both sides of the Iron Curtain and the challenges of life as a refugee in Britain A Polish Woman's Experience in World War II provides a compelling personal route into understanding how the greatest conflict of the 20th century transformed the lives of the individuals who lived through it

Omar Bradley Jim DeFelice, 2014-09-09 The First In Depth Biography of America's Last Five Star General He was known as the G I General humble self effacing hard working reflecting the small town virtues of the America whose uniform he wore But those very virtues have led historians to neglect General Omar Bradley until now Bestselling author Jim DeFelice in this the first ever in depth biography of America's last five star general tells Bradley's full

story and argues that the neglected G I General did more than any other to defeat Hitler in World War II While General George S Patton has garnered much of the glory General Dwight David Eisenhower has claimed much of the world s respect and British General Bernard Montgomery has kept the Union Jack flying as DeFelice proves it was the unassuming Bradley who actually developed the strategy and the tactics that won the war in Europe Meticulously researched using previously untapped documents and unpublished diaries and notes Omar Bradley General at War reveals Why Bradley not Patton deserves most of the credit for America s victories in North Africa How Bradley first Patton s subordinate then his superior was one of Patton s great defenders while also recognizing his weaknesses and tried to cover up the infamous slapping incident How Eisenhower panicked when Bradley didn t during the early stages of the Battle of the Bulge delaying an American counterattack that could have saved thousands of lives Why Bradley was a radical innovator in the use of combined air armor and infantry power How Bradley contrary to those who like to portray him as a staid counterpart to Patton was one of the most ardent practitioners of fast moving offensives Why Bradley expected the Germans might use radiological weapons at Normandy Provocative thorough original Jim DeFelice s Omar Bradley General at War deserves a place on the shelf of every reader of World War II history *Library Journal* ,1997 **Words on Cassette** ,2000 **Fortitudine** ,1990
