greater than any who have come before Then a revolution in Rivald creates the greatest threat her family has ever faced and the Kevlerens confront extinction at the hands of those they trusted most A first class trilogy The Chronicles of Kydan has all the traditional fantasy ingredients expertly mixed with new ideas Garth Nix author of The Abhorsen Trilogy Away (Vol 1: Beginnings & Vol 2: Keepers of the Alliance) Norman Oro,2013-04-26 For the first time ever the complete Away saga Volume 1 Beginnings and Volume 2 Keepers of the Alliance is now available in one book Spanning over fifty years Away chronicles the adventures of quantum physicist Alberto Rys Stumbling upon a scientific breakthrough that could revolutionize the transportation of people resources goods and even information around the globe Dr Rys begins a quest to realize the discovery s full potential He s eventually joined by a group of equally brilliant and idiosyncratic souls who help him to rapidly develop the technology However as they near their goal they find themselves suddenly entangled in a web of deceit that shatters their team and inadvertently brings Dr Rys to the faraway world of Onav There he encounters the ghostly remnants of a once mighty interstellar alliance and learns of the invincible race of predators who almost destroyed it the Grell Dr Rys is then asked to make a choice that will reverberate throughout humanity Will Earth join the struggle against the Grell or will the disembodied spirits of Onav forever be all that remains of the Alliance A Study of the Geography of 1 Enoch 17-19 Coblentz Bautch,2003-11-01 A Study of the Geography of 1 Enoch 17 19 examines the travels of the patriarch Enoch who is given a guided tour of extraordinary and at times terrifying places located throughout the cosmos Coblentz Bautch clarifies the text of 1 Enoch 17 19 by explaining how the sites described relate to one another geographically and by reconstructing the mental map of the geography that lies behind the textual descriptions Especially provocative is the consideration of sources from the ancient Near East Hebrew Bible and the world of Hellenistic Judaism that may have informed the world view of 1 Enoch 17 19 and parallel traditions Through this study an important facet of apocalypses is illumined their portrayal of geography and sacred space *The Final Race* Eric Eichinger,2018 On July 19 1924 Eric Liddell was on top of the world He was the most famous Briton at the time having just won the gold in the Olympic 400 meter race As the storm clouds of World War II rolled in Liddell lived purposefully even as his world crumbled and he experienced the horror and deprivations of a Japanese internment camp **Coming Home? Vol. 1** Sharif Gemie,2014-07-18 The wars of the twentieth century uprooted people on a previously unimaginable scale to the extent that being a refugee became an increasingly widespread experience With the arrival of refugees governments of host countries had to mediate between divided national populations some wished to welcome those arriving in search of refuge others preferred a strategy of exclusion or even expulsion At the same time refugees had to manage conflicts of the self as they responded to the loss of nationhood families socio political networks material goods and arguably also a sense of belonging or home While return migration was usually perceived by governments and refugees alike as the best solution to the dilemmas of forced displacement consensus about the timing and dynamics of how this would actually occur was very difficult to achieve In practice the return of refugees to

their countries of origin rarely if ever produced a wholly satisfactory outcome Conflicts clearly resulted in forced displacement but it is equally true that forced displacement created conflicts The complex inter relationship of conflict return migration and the sometimes chimerical but still compelling search for a sense of home is the central preoccupation of the contributors to the two volumes of the Coming Home series Scholars from history literature cultural studies and sociology explore the tensions between nation states and migrants as they have anticipated implemented or challenged the process of return migration during the twentieth and twenty first centuries This book begins with Western Europe and progresses to Central and Eastern Europe from the period of the Spanish Civil War to the Cold War era whilst the second volume Coming home Vol 2 Conflict and Postcolonial Return Migration in the Context of France and North Africa shifts the focus to the colonial and post colonial framework of the French North African nexus What emerges from the two volumes of essays is that as ambiguous and sometimes ambivalent as home could appear it was nonetheless central to migrants preoccupations about returning
