Spiritual Entrepreneurs:

Spiritual Entrepreneurs Rev. Dr. Mike Slaughter, 2011-12-01 *Spiritual Entrepreneurs* tells the story of an innovative pastor and leadership team who intentionally led their church to take spiritual risks. By using six principles, renewal can come to any church. These six principles are: focus on 1 Jesus Christ, 2 the Bible, 3 new forms of worship, 4 a commitment to membership, 5 equipping lay people for ministry, and 6 spiritual leadership. Slaughter believes that church leaders are inspired to work tirelessly when they hear or learn of good news stories. He also believes that covenants, Christianity training, and an innovative small group structure are vital in producing high commitment members. **When God Calls, How Do You**

Answer? Robert Westheimer, 2015 Have you been called to a spiritual experience that you can't quite explain? If so, you might just be a spiritual entrepreneur, being called to a spiritual adventure. If you are hearing that persistent whisper and if you cannot rid yourself of the sense of being called, this book is for you. Meditations, scripture, and quotes take the common fears and misgivings that a spiritual entrepreneur encounters and reminds the reader to give them over to God. Topics covered include: Are you really alone? What should you expect? Spiritual success? Encouragement? If you've been struggling to understand how to follow your calling or you just want the perspective of someone who has been there, here is encouragement. Book jacket

The Way of the Spiritual Entrepreneur Pauline Nguyen, 2019-02-25 Every business leader and entrepreneur should strive for success as well as deep fulfillment and happiness. Few, however, if they are being honest, actually achieve their goals. This causes great disappointment and disillusionment. Many decide they must make a choice between these seemingly opposing states. Is it even possible to be spiritual, incredibly happy, and fulfilled and wealthy all at the same time? Entrepreneur Pauline Nguyen has achieved this in *The Way of the Spiritual Entrepreneur*. Her path to transform your life from existence and struggle to peace, harmony, joy, fulfillment, and lasting happiness without sacrificing your business, your relationships, or your health. Entrepreneurs live in the real world where happiness alone won't cut it. Calm, courage is what must also be cultivated in order to overcome the natural vicissitudes of life. *The Way of the Spiritual Entrepreneur* provides the tools and strategies you need to become fearless, stress-free, and unshakable in business and in life. Through its unique combination of science and spirituality, this powerful book provides seven secrets to give you the competitive edge and the unfair advantage in your daily life and to discover the source of your own confidence, inspiration, and fulfillment. *The Way of the Spiritual Entrepreneur* is about getting good at life. *The Way of the Spiritual Entrepreneur* is the proud winner for Best Entrepreneurship and Small Business Book of the Year at the Australian Business Book Awards.
