The Meaning Of Values:

Development, Values, and the Meaning of Globalization: A Grassroots Approach Gasper F. Lo Biondo, S.J., Rita M. Rodriguez, 2012-01-03 Can one envision economic growth that is also sustainable because it takes into account the cultural moral and religious values of those intended to benefit from economic development To explore this question the Woodstock Theological Center launched a collaborative research effort involving 40 Jesuit centers around the world taking as its raw material the stories of specific mostly poor individuals and their communities as they were touched by economic globalization Focusing on decisions made by the individuals as they encountered the forces of the global economy the authors discern the values and creativity that guided these decisions and derive implications for development policy The book's methodology draws on the Jesuit approach to discernment that stresses the ethical responsibility of all development actors It envisions communities partnering with other development agents such as government business and NGOs based on a better understanding of the values that drive decisions

Challenging Legal Core Values Åsa Wettergren, Moa Bladini, Sara Uhnöo, 2025-06-26 Available open access digitally under CC BY NC ND licence This book presents the first ethnographic study into a new consent based rape law in Sweden and shows how the implementation of this legislation challenges outdated legal frameworks and requires a shift in legal practice Focusing on the Swedish context it provides insights that are globally applicable offering lessons for other countries where consent based rape laws are in place By examining the limitations of the conventional legal enactment of autonomy rationality and objectivity the authors argue for an evolved approach to ensure fairness and effectiveness Integrating feminist legal theory with the sociology of emotions the book reveals how emotional and contextual factors shape legal reasoning Aiming to make legal processes for sexual violence more transparent predictable and democratic worldwide this is an urgent call for enhanced professional training in emotional reflexivity and empathy

The Routledge International Handbook of Education, Religion and Values James Arthur, Terence Lovat, 2013-08-21 The academic fields of religion and values have become the focus of renewed interest in contemporary thinking about human activity and its motivations The Routledge International Handbook of Education Religion and Values explores and expands upon a range of international research related to this revival The book provides an authoritative overview of global issues in religion and values surveying the state of the academic area in contributions covering a wide range of topics It includes emerging controversial and cutting edge contributions as well as investigations into more established areas International authorities Arthur and Lovat have brought together experts from across the world to examine the complexity of the field of study The handbook is organised around four key topics which focus on both the importance of religion and values as broad fields of human enquiry as well as in their application to education inter agency work and cross cultural endeavours The Conceptual World of Religion and Values Religion and Values in Education Religion and Values in Inter agency Work Religion and Values in Cross cultural Work This comprehensive reference work combines

Issues in Science and Theology: What is Life? Dirk Evers,Michael Fuller,Antje Jackelén,Knut-Willy Sæther,2015-06-03 This book explores the concept of Life from a range of perspectives Divided into three parts it first examines the concept of Life from physics to biology It then presents insights on the concept from the perspectives of philosophy theology and ethics The book concludes with chapters on the hermeneutics of Life and pays special attention to the Biosemiotics approach to the concept The question What is Life has been deliberated by the greatest minds throughout human history Life as we know it is not a substance or fundamental property but a complex process It is not an easy task to develop an unequivocal approach towards Life combining scientific semiotic philosophical theological and ethical perspectives In its combination of these perspectives and its wide ranging scope this book opens up levels and identifies issues which can serve as intersections for meaningful interdisciplinary discussions of Life in its different aspects The book includes the four plenary lectures and selected revised and extended papers from workshops of the 14th European Conference on Science and Theology ECST XIV held in Tartu Estonia April 2012 *The Core Values of Chinese Civilization* Lai Chen,2016-12-20 Drawing on the core values of western civilization the author refines the counterparts in Chinese

civilization summarized as four core principles duty before freedom obedience before rights community before individual and harmony before conflict Focusing on guoxue or Sinology as the basis of his approach the author provides detailed explanations of traditional Chinese values Recent scholars have addressed the concept of guoxue since the modern age sorting through it and piecing it together which has produced an extremely abundant range of information However given that the concepts and theories involved have been left largely unanalyzed this book develops a theoretical treatment of them in several important respects First it analyzes the mindset of guoxue examining the dominant ideas and values of the era from which the term guoxue arose focusing on its connection to early changes and trends in society and culture and distinguishing three key phases of development Past scholars mainly had in mind the range of objects studied in guoxue when defining it and what this book underscores is the meaning of guoxue as a modern body of research Secondly it assesses several phases in the modern evolution of the body of guoxue research from the beginning to the end of the 20th century i e ending with the later phase of the National Heritage movement Third and lastly the book explores the various main modes of modern guoxue which correspond step by step with the evolutionary phases of guoxue research Ethics and Game Design: Teaching Values through Play Schrier, Karen, Gibson, David, 2010-02-28 This book addressing an emerging field of study ethics and games and answers how we can better design and use games to foster ethical thinking and discourse in classrooms Provided by publisher *Hugo Münsterberg* Margarete Anna Adelheid Münsterberg, 1922 **Camera**, 1911

Evolutionary Emergence of Purposive Goals and Values Donald A. Crosby, 2023-08-01 Where do the purposes values and existential meanings of the world come from For many they are conferred on the world and on humans within the world by a supernatural transcendent personal divine creator and sustainer For others they result from a God or divine presence residing within nature For still others they give evidence of mind and spirit as primordial principles suffusing nature from the outset and in all of its forms In *Evolutionary Emergence of Purposive Goals and Values* Donald A Crosby takes issue with each of these views His thesis is that mind meaning purpose and value come into existence with the evolutionary emergence of life and that evolution itself gives evidence of the creative power of two primordial natural principles matter energy and time There is no overarching purpose value or meaning of nature as such but there is a plethora of such factors evident in the evolved life forms of nature here on earth This fact is especially evident in the day to day experiences aspirations and concerns of us evolutionarily evolved human beings Purpose meaning and value are therefore gifts of evolutionary nature not of any supernatural or non natural principle presence or power **The Discourse of News Values** Monika Bednarek, Helen Caple, 2017-02-07 *The Discourse of News Values* breaks new ground in news media research in offering the first book length treatment of the discursive construction of news values through words and images Monika Bednarek and Helen Caple combine in depth theoretical discussion with detailed empirical analysis to introduce their innovative analytical framework discursive news values analysis DNVA DNVA allows researchers to systematically investigate how reported events are sold to

audiences as news made newsworthy through the semiotic resources of language and image With an interdisciplinary and multi methodological approach The Discourse of News Values analyzes authentic news discourse both language and images from around the English speaking world through three new case studies one that analyzes newsworthiness around the topic of cycling cyclists another that analyzes news values in images disseminated by news media organizations via Facebook and a third that focuses on news values in most shared news items Introducing readers to the possibilities of both DNVA and corpus assisted multimodal discourse analysis CAMDA The Discourse of News Values brings together corpus linguistics and multimodal discourse analysis in a stimulating and unique book for researchers in Linguistics Semiotics Critical Discourse Analysis and Media Journalism Studies **Values Education** John R. Meyer, Brian Burnham, John Cholvat, 1975-07 Values those intangible guideposts serve as standards and perceptual screens which assist us in selecting our priorities for reflection and action Our quest is to clarify compare and form values expressed in defensible and consistent value judgements and actions
