Back cover     **Dictionary of the Old Testament: Wisdom, Poetry and Writings** TREMPER LONGMAN III,PETER ENNS,2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch the histories or the prophets The divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet Here Scripture often speaks in the words of human response to God and God s world The hymns laments and thanksgivings of Israel the dirge of Lamentations the questionings of Qohelet the love poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives This third Old Testament volume in IVP s celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job Proverbs Ecclesiastes Psalms Song of Songs Lamentations Ruth and Esther Over 90 contributors many of them experts in this literature have contributed to the Dictionary of the Old Testament Wisdom Poetry and Writings This volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series Coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient Near Eastern background and their history of interpretation Additional articles amply explore the literary dimensions of Hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme And there are well rounded treatments of Israelite wisdom and wisdom literature including wisdom poems sources and theology In addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches The Dictionary of the Old Testament Wisdom Poetry and Writings is sure to command shelf space within arm s reach of any student teacher or preacher working in this portion of biblical literature

**Dictionary of the Old Testament: Wisdom, Poetry & Writings** Tremper Longman III,Peter Enns,2010-05-11 Tremper Longman III and Peter E Enns edit this collection of 148 articles by over 90 contributors on Job Psalms Proverbs Ecclesiastes Song of Songs Lamentations Ruth and Esther     The Targum of Lamentations ,2024-05-15 This work provides a definitive translation into English of the Targum of Lamentations based on a critical reading of all the extant versions with textual annotations and extensive notes An appendix offers in addition a translation and annotation of the Yemenite version

**Commentary on Midrash Rabba in the Sixteenth Century** Benjamin Williams,2016-09-08 Printed editions of midrashim rabbinic expositions of the Bible flooded the market for Hebrew books in the sixteenth century First published by Iberian immigrants to the Ottoman Empire they were later

reprinted in large numbers at the famous Hebrew presses of Venice This study seeks to shed light on who read these new books and how they did so by turning to the many commentaries on midrash written during the sixteenth century These innovative works reveal how their authors studied rabbinic Bible interpretation and how they anticipated their readers would do so Benjamin Williams focuses particularly on the work of Abraham ben Asher of Safed the Or ha Sekhel Venice 1567 an elucidation of midrash Genesis Rabba which contains both the author's own interpretations and also the commentary he mistakenly attributed to the most celebrated medieval commentator Rashi Williams examines what is known of Abraham ben Asher's life his place among the Jewish scholars of Safed and the publication of his book in Venice By analysing selected passages of his commentary this study assesses how he shed light on rabbinic interpretation of Genesis and guided readers to correct interpretations of the words of the sages A consideration of why Abraham ben Asher published a commentary attributed to Rashi shows that he sought to lend authority to his programme of studying midrash by including interpretations ascribed to the most famous commentator alongside his own By analysing the production and reception of the Or ha Sekhel therefore this work illuminates the popularity of midrash in the early modern period and the origins of a practice which is now well established the study of rabbinic Bible interpretation with the guidance of commentaries **A.T.
