CRAMER,2014-11-13 ANGEL it is an actual situation where everything is well controlled again by the emergence of New World Order NWO 29 year ago anything related to Japanese yen had defaulted due to economic and environmental collapse of Japan the country which used to be one of the main powers in East Asia As a result powerless countries were knocked down one after another by financial paralysis like falling dominoes Moreover the massive outbreak of the fatal yet unknown virus killed billions of people in some countries like China and Africa and some mutant humans were born after the virus e g Modified Ebola outbreak Each country strengthened its governmental authority and imposed martial law justifying that it is to find terrorists and to protect citizens Not so long after a religious conflict caused a nuclear war in Israel In 2017 nuclear wars had begun in many countries simultaneously and the Illuminati intensified the war between South and North Korea the powder keg of East Asia to gain enormous profits and supremacy The United States once called the mediator tried to confront the full scale invasion of China and Russia but soon it collapsed feebly and lost the title of the most powerful country in the world Meanwhile the mercenaries in the broad battlefield selectively killed the disarmed people The citizens from all over the world were left in chaos as they could not tell who their enemies and allies were They could not take any more inflation conflicts between countries and regions and a food crisis so the citizens started the first worldwide riot The massive natural disasters from abrupt climate changes and tectonic movements made the citizens go through the worst era Then NWO appeared in front of them It led the survived population of five hundred million people using powerful control and justified that its control over people was to restore Earth By the time 20 years of Earth restoration project was ended almost all tasks in society were handled by Zion s selected executors and robots and the citizen from all over the world had received the new class called commoner and the identification system from NWO World s commoners were losing jobs as they were restricted from accessing high quality upper class information for security and safety purposes and they ended up taking over the simple manufacturing and the mining jobs World s commoners who had lost their life goals began to have complaints against NWO and the world was on the verge of facing the second worldwide riot However instead of forcibly cracking down on the riot NWO was generous enough to create a virtual realty world justifying that the virtual reality world was to ensure every commoner s happy life As commoners regained the stabilities of their lives there were no more riots or complaints however they were repeating the same history in the virtual reality given by NWO The revolutionary armies Liberal and the scholars around the world could not neglect what commoners were doing in GALAHAD anymore To change commoner s consciousness to civic consciousness they began to infiltrate themselves into GALAHAD What would you do if you can change the tragic history What if justice you believe in is false In this virtual reality world with a medieval era setting the mute girl Aru who wanted to become the pirate queen started the adventure with her mercenaries traveling vast oceans

and perilous lands However Illuminati and Freemason the secretive organizations that established New World Order tried to interrupt them What would be the truth of human history that they tried to hide from commoners ANGEL STORM is the fantasy novel with new perspectives on angels and demons deceits of creationism reinterpretations of religion and history alternating points of view and the expansive storyline with numerous characters This novel consists of six seasons and each season is split into 15 to 20 series One season will be released over a year **The Heretic's Child** Nyasia A.
