Isaac Shapiro, Editor Hammarskjold Forum, 13Th, New York, Dec. 4-5, 1968,1969      The Palestinian Refugees in Jordan 1948-1957 Avi Plascov,2017-05-18 There is perhaps no aspect of the Arab Israeli conflict that is more complex and more emotionally charged than the problem of the Palestinian refugees The atmosphere surrounding the discussion has led to confusion so that the facts have become unclear and the problems more difficult to treat This book first published in 1981 examines the complex interlocking issues that surround the topic of the Palestinian refugees in the country that adopted most of them Jordan      To Establish the United States Academy of Peace U.S. Commission on Proposals for the National Academy of Peace and Conflict Resolution,1981      *Bibliography On World Conflict And Peace* Elise Boulding,2019-04-24 This book presents more than 1 000 entries organized in twenty six major categories in the fields of conflict and peace studies It focuses on global systems and covers the structures and processes of conflict and peacemaking as they apply at every level from interpersonal to international      Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1972      **Israel Among the Nations** Alfred E. Kellermann,Kurt Siehr,Talia Einhorn,2025-02-10 This book written on the occasion of Israel s 50th Anniversary underlines the tension between Israel the unique Jewish State among nations and Israel a nation like many others On the one hand it analyzes her special features the founding of the State Israel s contributions to the development of the Law of Nations and her complex relations with the United Nations On the other hand it cautions against originality where harmony is required Citizens can only enjoy their rights and freedoms if constitutionalism and constitutional values are given a firm legal basis Legislation and jurisprudence must provide them with the certainty and the security needed to acquire rights conduct their affairs and engage in transactions both domestic and foreign The experience gained in the European Community and other European States on their road to harmonization could provide helpful guidance      **From Coexistence to Conquest** Victor Kattan,2009-06-20 This book shows how the Arab Israeli conflict developed by looking beyond the legality argument to the men behind the policies It argues that Zionism was adopted by the British Government in its 1917 Balfour Declaration primarily as a way to control immigration The book places the violent reaction of the Palestinians to mass Jewish immigration in the context of Zionism and revisits the controversies over the question of self determination and the partition of Palestine Arguing that Israel was created through an act of conquest and subjugation the book concludes with a sobering analysis of the conflict arguing that neither Jews nor Arabs were to blame for starting it      Library of Congress Catalog Library of Congress,1970 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953 1955      **The Contemporary Middle East,**

**Titles, English & French** ,1983      **Nuclear Proliferation and International Security** Sverre Lodgaard,Bremer Maerli,2007-06-11 The Nuclear Non Proliferation Treaty has long been key in non proliferation and disarmament activities The Treaty is the major international legal obstacle for states seeking nuclear weapon capabilities In retrospect and despite setbacks the overall impact of the Nuclear Non Proliferation Treaty has been significant and gratifying Its continued success is by no means guaranteed As old nuclear dangers persist and new ones evolve policies to halt nuclear proliferation are more disparate than at any other time Nuclear weapons remain an essential part of the security policies of leading states and many developmental states maintain strong nuclear weapon ambitions while terrorists have actively been seeking nuclear capabilities In search of an overarching strategy that recognizes both the flaws of the existing non proliferation regime and the value of some of the corrections proposed by regime critics this volume assesses contemporary efforts to stem nuclear proliferation In doing so Nuclear Proliferation and International Security examines a number of cases with a view to recommending better non proliferation tools and strategies The contributors comprise renowned international scholars who have been selected to obtain the best possible analyses of critically important issues related to international non proliferation dynamics and the future integrity of the Non Proliferation Treaty      **The Arab Israeli Conflict** H.
