## **The Midnight Fish Other Stories:**

*Strange Fish and other stories* Matthew R Brackley, 2014-03-11 Strange fish and other stories are about life Humour surrealism politics nature imagination sadness philosophy and all that good stuff If you pick one book make it this Story poems at its brilliant quirky best Created in A4 for ease of reading and sharing      **The Midnight Fish and Other Stories** Scott Bowen, 2001-03-01      *Fish Tales and Other Stories ...* Gus Gusfaston, 2007-04 This book is the first in a series of short stories that feature my favorite fishing tales page vii      *The White Hecatomb, and Other Stories* William Charles Scully, 1897

**The Girl from the Sea and Other Stories** Sophia de Mello Breyner Andresen, 2020-04-29 The stories included in this collection are classics of children's literature and have been cherished by generations of Portuguese children This is the first time these stories have been translated into English The author is one of Portugal's greatest poets and like her poetry these stories are filled with her delight and pleasure in nature gardens and the sea as well as her keen sense of the magical Among other things we encounter dwarves diminutive little girls who live on the sea bed plants that come alive at night a tree that lives on long after it has been felled and a pilgrim who discovers much more than the Holy Land Her themes are above all loyalty and friendship      **The Adventures of Fred and the Magic Carrots and Other Stories** GW ASH, 2022-07-29 The Adventures of Fred and the Magic Carrots and Other Stories By GW ASH Come along with Fred the rabbit as he outsmarts the hungry and dastardly wolf Albert and then venture into the world of cats with Midnight as she hesitantly makes a new friend in Orange The Adventures of Fred and the Magic Carrots and Other Stories is a delightful and fun collection of stories written to teach children the values of cooperation trust and faith      *The White Hecatomb, and Other Stories* W. C. Scully, 2022-09-16 In *The White Hecatomb and Other Stories* author W C Scully delivers a poignant exploration of the human condition set against the vivid backdrop of South African landscapes The stories within this collection carefully chosen for republication by DigiCat Publishing serve as a haunting literary testament to the colonial era marred by conflict and cultural entanglement Scully's narrative style is rich and evocative employing a vividness of description that transports the reader to the veld and kopjes of the region Within the literary context of the late 19th and early 20th centuries these tales preserve the perspectives of a time often overlooked in contemporary literature making them invaluable historical documents as well as stirring tales of adventure survival and confrontation with the otherness of nature and humanity alike William Charles Scully a figure of notable influence in South African literature drew from a wealth of personal experience as he penned these narratives A civil servant and prospector Scully's intimate acquaintance with the South African frontier and his interactions with diverse cultures provided fertile ground for his storytelling His works offer insight into the complexities of imperial expansion and the intricate realities of life on the colonial edge In bringing these stories back to light DigiCat preserves the intellectual and cultural heritage to which Scully contributed inviting readers to reassess the narratives that have shaped our understanding of a pivotal historical epoch For those captivated by the enduring power of classic literature *The White*

Hecatombe and Other Stories comes highly recommended. The book will particularly enchant readers interested in colonial history, South African lore, and the broader human experiences of loss, resilience, and adaptation. As a classic work, it not only reflects the literary artistry of W. C. Scully but also stands as a historical artifact inviting modern contemplation on the effects of colonialism and the timeless allure of storytelling that grapples with our shared humanity across time and space. This collection is more than a series of narratives; it is an invitation to witness through the lens of the past the timeless and universal stories that continue to echo in the human soul.

*Fish 'n' Chip Shop Song and Other Stories* Carl Nixon, 2012-10-01. Each beautifully told story in this fine collection resonates with a moving depth of emotional understanding. Having won prizes in major national competitions, four of these stories had several selected for anthologies of significant New Zealand writing, with numerous broadcast on radio and one even translated into Mandarin. Carl Nixon was long overdue for a book of his own, collecting his stories together. So here they are. Stories that evoke the South Island landscape as well as the New Zealand urban expanse. Stories that take surprising turns as they explore such things as saving a pet parrot, a fruiterer's true love, a return to Crete, an anticipated seduction, and the dreams of a suburban mercenary. There are characters to charm and alarm the reader, characters that are startlingly different and characters that are just like us. There are songs of love and tales of loss, there's humour and there's poignancy.

**Lanzmann and Other Stories** Damian Tarnopolsky, 2007-05. Ranging widely in subject matter from a musician's destructive narcissism to the strange effects a persistent Norwegian has on a bachelor's love life, the stories in this collection also vary in style. Both elegantly insightful and highly adventurous, these tales are inventive, deeply comic, sometimes very unsettling, and completely engaging.

**The Cubs and Other Stories** Mario Vargas Llosa, 1989-11. Published originally in hardcover by Harper and Row Publishers Inc. First edition 1975. T p verso.

*The lost road [and other stories]* Richard Harding Davis, 1916. *Fifty-two more stories for girls*, by R. Mulholland and other writers, ed. by A.H. Miles Alfred Henry Miles, 1890.

**The Fat Artist and Other Stories** Benjamin Hale, 2016-05-17. Oddly beautiful and impossible to look away from. *Los Angeles Times* the stories in *The Fat Artist* are suffused with fear and desire, introducing us to a company of indelible characters reeling with love, jealousy, megalomania, and despair. In prose alternately stark, lush, and hallucinatory, occasionally nightmarish and often absurd, the voices in Benjamin Hale's *The Fat Artist and Other Stories* speak from the margins: a dominatrix whose longtime client, a US congressman, drops dead during a tryst in a hotel room; an addict in precarious recovery who lands a job driving a truck full of live squid; a heartbroken performance artist who attempts to eat himself to death as a work of art. From underground radicals hiding in Morocco to an aging hippy in Colorado in the summer before 9/11 to a young drag queen in New York at the cusp of the AIDS crisis, these stories rove freely across time and place, carried by haunting, peculiar narratives that form the vast tapestry of American life. A steadily growing talent, Kirkus Reviews Hale's prize-winning fiction abounds with a love of language and a wild joy for storytelling, earning accolades from writers such as novelist Jonathan Ames, who compared discovering his work to watching

Mickey Mantle play ball for the first time Washington Post critic Ron Charles who declared him fully evolved as a writer and bestselling author Jodi Picoult who simply called him brilliant Pairing absurdity with philosophical musings on the unnerving intersections between life and death art and ridicule consumption and creation the audacious imagination evident in Hale's acclaimed debut *The Evolution of Bruno Littlemore* shines again in this provocative collection that takes a unique view of the human condition **Booklist** **Ridan the Devil and Other Stories** Louis Becke, 2020-07-30 Reproduction of the original *Ridan the Devil and Other Stories* by Louis Becke *The Waterspirit and Other Stories* Imran Hussain, 2015-06-01 A brave new voice from Assam On a still moonlit night Goroi jumps into the lake hoping to meet the father he has never known in life Bhanubala and her daughter in law Behula dance naked at midnight in a remote field to appease the rain god Firewood seller Rabeya and her niece Dulali rebel against the Shariat An opium eater undertakes the challenge of eating a basketful of red hot chillies for a little opium and some money In one sweep Imran Hussain's writing examines the historical the social the individual and the assertion of the self in the face of hard wired traditions Entrenched in folklore his stories weave in protest and perspective into contemporary realities The stories in this collection are a rare portrait of Assam a duet of darkness and beauty a blend of mysticism and earthiness Available in translation for the first time Hussain is one of India's most compelling new voices *The Call of the Wild, White Fang, and Other Stories* Jack London, 1993-08-01 A bold mix of realism allegory adventure and progressive politics this collection features Jack London's most profound and moving literary works *The Call of the Wild* London's elemental masterpiece about a dog learning to survive in the wilderness sees pampered pet Buck snatched from his home and set to work as a sled dog during the Klondike Gold Rush *White Fang* set in the frozen tundra and boreal forests of Canada's Yukon territory is the story of a wolf dog hybrid struggling to survive in a human society every bit as brutal as the natural world This volume of London's famed Northland novels also includes an early feminist story *The Night Born* and a pro labor story *South of the Slot* These works echo and enrich the themes of *The Call of the Wild* and *White Fang* with their unique emphases on the primordial the instinctual and the quest for social justice London's narratives in this volume focus on issues of continuing relevance to contemporary readers including the value of the wilderness animal rights socioeconomic oppression and gender inequity This edition also includes an introduction by preeminent London scholar Earle Labor as well as a comprehensive biographical note on London's life and works by scholar and executive coordinator of the Jack London Society Kenneth K Brandt For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *Chinkie's Flat and Other Stories* Louis Becke, 1904 *Ridan the Devil and Other Stories* Louis Becke, 1899 **Incidents at Whiterock and Other Stories** Jack Poole, 2000-07-26 Book
