The Military Factor In Social Change The State As Revolution:

The Military Factor in Social Change Vol. 2 Henry Barbera, **The Military Factor in Social Change Vol. 1** Henry Barbera, *The Military Factor in Social Change* Henry Barbera, 1998 **The Waning of Major War** Raimo Väyrynen, 2013-10-31 This book is a systematic effort by leading international scholars to map the trends in major power warfare and explore whether it is waxing or waning The main point of departure is that major power war as a historical institution is in decline This does not mean though that wars between states are in general disappearing While there is some convergence in the conclusions by individual authors they are by no means unanimous about the trend The articles explore different causes and correlates of the declining trend in major power warfare including the impact of the international structure nuclear weapons international law multilateral institutions sovereignty and value changes *Raimo Väyrynen: A Pioneer in International Relations, Scholarship and Policy-Making* Raimo Väyrynen, 2023-01-03 This book provides a broad overview of Professor Raimo Väyrynen's academic work his role in international research organizations and his contributions to policy debates It offers an interesting review of important political issues during the time span of half a century from disarmament in Europe to the changing relationship between state sovereignty and transnational forces Väyrynen has dealt with the changing agenda of peace and international relations security and the arms race and the world economy This book provides comprehensive analyses of the regional and systemic structure of international relations with the emphasis on conflicts and warfare between nations It argues that while states even smaller ones still matter transnational issues are increasingly important Taking a historical perspective the articles suggest that large scale violence and arms races have been recurrent and cyclical phenomena in international relations These events reflect the deep seated inequalities in the political and economic systems which moreover vary considerably between regions The publication is important reading for any researcher as well as students policy makers and the science oriented public at large Traces the changing agenda of international relations from disarmament and the world economy to the changing relationship between state sovereignty and transnational forces Provides analyses of the regional and systemic structure in international relations with the emphasis on conflicts and warfare Argues that large scale violence and the arms race have been recurrent and cyclical phenomena in international relations Reviews important political issues from peace and conflict in Europe to the changing power relationship in the world **The Sociology of Disruption, Disaster and Social Change** Hendrik Vollmer, 2013-04-18 In the wake of disruption and disaster cooperation among members of a collective is refocused on matters of status membership and the formation of coalitions In an important contribution to sociological theory Hendrik Vollmer emphasizes the processes through which disruptions not only affect but also transform social order Drawing on Erving Goffman's understanding of framing and the interaction order as well as from a range of insights from contemporary sociological theory and ethnographic historical and organizational research Vollmer addresses the dynamics of disaster and disaster response within

the framework of a general theory of disruption and social order It is proposed that the adjustment of cooperation in favour of coalition forming strategies is robust in both informal and organized social settings and transcends the micro and macro approaches currently favoured by theorists Offering a systematic sociological analysis of the impact of disruptiveness this book investigates how punctuated cooperation precipitates social change *Air University Library Index to Military Periodicals* ,1999 **Naval War College Review** ,1999 **Revolution, a Sociological Interpretation** Michael S. Kimmel,1990 Examines why the study of revolution has attained such importance and provides a systematic historical analysis of key ideas and theories The book surveys the classical perspectives on revolution offered by nineteenth century and early twentieth century theorists such as Marx Weber Durkheim Tocqueville and Freud Kimmel argues that their perspectives on revolution were affected by the reality of living through the revolutions of 1848 1917 a reality that raised crucial issues of class state bureaucracy and motivation back cover **Military Review** ,1999 *Sociology Understanding Society and Social Change* Mr. Rohit Manglik,2024-05-18 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels **Selected Soviet Military Writings, 1970-1975** Andreï Antonovich Grechko,1977 The Military Revolution and Revolutions in Military Affairs Mark Fissel,2022-12-05 The Military Revolution and Revolutions in Military Affairs updates two central debates in military history the one surrounding the concept of military revolution and the one on military affairs whilst advancing original research in both fields Only a handful of publications consider the military revolution and the RMA in tandem This book breaks new ground conceptually and appeals to an exceptionally large and diverse readership Comparative revisionist studies of the military revolution and RMA better enable us to comprehend the historical continuum and reveal the new RMA for what it is And for what it is shortly to become This book presents original contributions within the epicentre of the military revolution debate the 1500s with an emphasis on gunpowder revolution offensively and defensively The connections with the Revolution in Military Affairs are then made explicit by scholars a practitioner and an analyst with an emphasis on airborne lethal autonomous weapons systems This is a chronologically broad and unique methodological approach to a historical debate that begs for clarification as we enter an era where killer robots will almost certainly take from humans their monopoly on violence Conceptualizing Security for India in the 21st Century National Centre of International Security and Defence Analysis (Pune, India). Conference,Gautam Sen,2007 The Present Volume Is An Anthology Of Papers Presented In The First Nisda Security Conference In 2005 With Interdisciplinary Contributions From A Variety Of Professionals From Government Organization Academics And Researchers On The Common Theme Of Conceptualizing The Notion Of Security In The 21St Century It Entails A Multi Pronged Input From Organizational Bureaucratic And Academic Perspectives To Look At In A Focused Way The Indo Centric View Towards
