

# CIRCLE OF THE ALTERED MIND

As a Circle of the Altered Mind Druid, you gain the following features.

## CIRCLE SPELLS

You've opened your third eye, granting you access to certain spells. At 2nd level, you learn the *minor illusion* cantrip and the *ceremony* spell.

At 3rd, 5th, 7th, and 9th level you gain access to the spells listed for that level in the Circle of Altered Mind Spells table. Once you gain access to one of these spells, you always have it prepared, and it doesn't count against the number of spells you can prepare each day. If you gain access to a spell that doesn't appear on the druid spell list, the spell is nonetheless a druid spell for you.

## CIRCLE OF THE ALTERED MIND SPELLS

Druid Level	Spells
2nd	<i>ceremony</i> , <i>minor illusion</i>
3rd	<i>borrowed knowledge</i> <sup>*</sup> , <i>phantasmal force</i>
5th	<i>clairvoyance</i> , <i>hypnotic pattern</i>
7th	<i>divination</i> , <i>phantasmal killer</i>
9th	<i>commune</i> , <i>hold monster</i>

<sup>\*</sup>*Borrowed Knowledge* is a spell from *Seraphaven: A Curriculum of Chaos*. If your DM disallows content from that source, you can prepare the *see invisibility* spell instead.

## PSYCHEDELIC FORM

Starting at 2nd level, you can project the power of your altered psyche onto your physical body. As an action, you can expend a use of your Wildshape to take on a psychedelic form, rather than transform into a beast.

You determine the appearance of your psychedelic form; shifting colors, fractal swirls, liquid edges dripping in reverse, etc. Your choice has no effect on your game statistics or features. Creatures that look upon your form have their minds filled with distracting hallucinations.

While in your psychedelic form, each creature you choose that starts its turn within 15 feet of you and can see you must succeed a Wisdom saving throw against your spell save DC or become distracted by vivid hallucinations until the start of their next turn. A distracted creature has disadvantage on attack rolls and ability checks, and must also reduce their Intelligence, Wisdom and Charisma saving throws by an amount equal to 1/3 your druid level (rounded up).

The form lasts for 10 minutes. It ends early if you dismiss it (no action required), are incapacitated, die, or use this feature again.

At 14th level, the range of your psychedelic form increases to 30 feet.
