The Picture History of the Boston Celtics George Sullivan,1991-01-01 **Dynasty's End** Thomas J. Whalen,2005-05

The following summer Russell stunned the sports world by announcing his retirement ending his and the Celtics celebrated reign Dynasty Restored Thomas J. Whalen,2024-10-15 A historic look at the fabled 1983 84 Boston Celtics and an unforgettable season Ronald Reagan declares the Soviet Union an Evil Empire The Apple Macintosh personal computer makes its debut Michael Jackson s Thriller album dominates the pop charts And Larry Bird and the Boston Celtics capture the NBA championship over Magic Johnson Kareem Abdul Jabbar and the Los Angeles Lakers It was 1984 and for the NBA and the nation the year was full of milestone moments In Dynasty Restored How Larry Bird and the 1984 Boston Celtics Conquered the NBA and Changed Basketball Thomas J Whalen explores this fascinating and dramatic season The NBA had been struggling seen as a minor sports league and suffering from poor attendance lagging television ratings and embarrassing drug scandals The Celtics were beset by locker room turmoil disruptive coaching ownership changes and underperforming stars But Whalen reveals how that all changed when Bird and his fellow Big Three frontcourt teammates Kevin McHale and Robert Parish along with newcomer Dennis Johnson banded together to lift the venerable franchise to its fifteenth world championship and helped to transform the league into a global entertainment brand Dynasty Restored offers insight into the personal barriers Larry Bird had to overcome to achieve NBA stardom discusses the personal tensions that existed on the team between Bird and McHale and gives a probing analysis of the unique pressures Black Celtics players faced in a post Boston Busing Crisis environment And it shows how this singular season turbocharged the Celtics and the professional game to unprecedented heights **100 Things Celtics Fans Should Know & Do Before They Die** Don Hubbard,Jo Jo White,2017-11-01 Most Boston Celtics fans have taken in at least a game or two at the Garden and have watched highlights of Larry Bird in his prime But only real fans know about Bill Russell s pregame ritual or the history of the team s parquet floors 100 Things Celtics Fans Should Know Do Before They Die is the ultimate resource for true fans of the Boston Celtics Experienced sportswriter Don Hubbard has collected every essential piece of Celtics knowledge and trivia as well as must do activities and ranks them all from 1 to 100 providing an entertaining and easy to follow checklist as you progress on your way to fan superstardom Now updated through 2017 The Last Pass Gary M. Pomerantz,2019-10-22 The New York Times bestseller Out of the greatest dynasty in American professional sports history a Boston Celtics team led by Bill Russell and Bob Cousy comes an intimate story of race mortality and regret About to turn ninety Bob Cousy the Hall of Fame Boston Celtics captain who led the team to its first six championships on an unparalleled run has much to look back on in contentment But he has one last piece of unfinished business The last pass he hopes to throw is to close the circle with his great partner on those Celtic teams fellow Hall of Famer Bill Russell These teammates were basketball s Ruth and Gehrig and Cooz as everyone calls him was famously ahead of his time as an NBA player in terms of race and civil rights But as the

decades passed Cousy blamed himself for not having done enough for not having understood the depth of prejudice Russell faced as an African American star in a city with a fraught history regarding race Cousy wishes he had defended Russell publicly and that he had told him privately that he had his back At this late hour he confided to acclaimed historian Gary Pomerantz over the course of many interviews he would like to make amends At the heart of the story The Last Pass tells is the relationship between these two iconic athletes The book is also in a way Bob Cousy s last testament on his complex and fascinating life As a sports story alone it has few parallels An poor kid whose immigrant French parents suffered a dysfunctional marriage the young Cousy escaped to the New York City playgrounds where he became an urban legend known as the Houdini of the Hardwood The legend exploded nationally in 1950 his first year as a Celtic he would be an all star all 13 of his NBA seasons But even as Cousy s on court imagination and daring brought new attention to the pro game the Celtics struggled until Coach Red Auerbach landed Russell in 1956 Cooz and Russ fit beautifully together on the court and the Celtics dynasty was born To Boston s white sportswriters it was Cousy s team not Russell s and as the civil rights movement took flight and Russell became more publicly involved in it there were some ugly repercussions in the community more hurtful to Russell than Cousy feels he understood at the time The Last Pass situates the Celtics dynasty against the full dramatic canvas of American life in the 50s and 60s It is an enthralling portrait of the heart of this legendary team that throws open a window onto the wider world at a time of wrenching social change Ultimately it is a book about the legacy of a life what matters to us in the end long after the arena lights have been turned off and we are alone with our memories On August 22 2019 Bob Cousy was awarded the Presidential Medal of Freedom [Boston Celtics Encyclopedia](#) Peter C. Goudsouzian,2010-05-01 Bill Russell was not the first African American to play professional basketball but he was its first black superstar From the moment he stepped onto the court of the Boston Garden in 1956 Russell began to transform the sport in a fundamental way making him more than any of his contemporaries the Jackie Robinson of basketball In *King of the Court* Aram Goudsouzian provides a vivid and engrossing chronicle of the life and career of this brilliant champion and courageous racial pioneer Russell s leaping wide ranging defense altered the game s texture His teams provided models of racial integration in the 1950s and 1960s and in 1966 he became the first black coach of any major professional team sport Yet like no athlete before him Russell challenged the politics of sport Instead of displaying appreciative deference he decried racist institutions embraced his African roots and challenged the nonviolent tenets of the civil rights movement This beautifully written book sophisticated nuanced and insightful reveals a singular individual who expressed the dreams of Martin Luther King Jr while echoing the warnings of Malcolm X *Ten Times a Champion* Mark C.
