Metropolitan Pulpit and Homiletic Monthly ,1911 *Understanding Religion* Moojan Momen,2019-06-20 With the aid of hundreds of photographs an in depth exploration of the role of religion An innovative thematic presentation of the role of religion in human society from traditional cultures to the modern world this comprehensive account will prove invaluable for students experts or the interested general readers seeking an understanding of the nature and significance of diverse religious experience Drawing from all major religious traditions in the world as well as a variety of non religious disciplines such as psychology philosophy and sociology Momen s informative study covers everything from art and history to theology and the World Wide Web **Quarterly Bulletin - Meadville Theological School** Meadville Theological School,1909 One issue of each volume is the school catalogue **Religious Experience and the Modernist Novel** Pericles Lewis,2010-01-07 The modernist period witnessed attempts to explain religious experience in non religious terms Such novelists as Henry James Marcel Proust James Joyce Virginia Woolf and Franz Kafka found methods to describe through fiction the sorts of experiences that had traditionally been the domain of religious mystics and believers In *Religious Experience and the Modernist Novel* Pericles Lewis considers the development of modernism in the novel in relation to changing attitudes to religion Through comparisons of major novelists with sociologists and psychologists from the same period Lewis identifies the unique ways that literature addressed the changing spiritual situation of the early twentieth century He challenges accounts that assume secularisation as the main narrative for understanding twentieth century literature Lewis explores the experiments that modernists undertook in order to invoke the sacred without directly naming it resulting in a compelling study for readers of twentieth century modernist literature **Encountering Religious Pluralism in School and Society** Thorsten Knauth, **Shi'i Theology in Iran** Ori Goldberg,2011-09-12 Metaphor and identity The discursive personality Stuck in the middle with you A double edged sword Anxiety and discourse Theology and duality Mediated deliverance Faith Wheel within a wheel Faith as core and structure Silence fraught with meaning
Quarterly Bulletin - Meadville Theological School ,1909 One issue of each volume is the school catalogue *A Brief Introduction to Judaism* Tim Dowley,2019-06-01 This brief introduction to Judaism is designed to help readers understand this important religious tradition With both nuance and balance this text provides broad coverage of various forms of Judaism with an arresting layout with rich colors It offers both historical overviews and modern perspectives on Jewish beliefs and practices The user friendly content is enhanced by charts of religious festivals historic timelines updated maps and a useful glossary It is ideal for courses on Judaism and will be a useful concise reference for all readers eager to know more about this important religious tradition and its place in our contemporary world **The British Journal of Psychology** ,1913 Issues for 1904 47 include the Proceedings of the society Place, Spirituality, and Well-Being Victor Counted,Haywantee

Ramkisson,Laura E. Captari,Richard G. Cowden,2023-09-29 This book synthesizes perspectives on how place is deeply intertwined with our spirituality and well being Split into three sections this book brings together contributions from global scholars across a range of disciplines to unravel how the personal social and cultural spheres of place shape our spiritual experiences and overall well being It is an essential read for those interested in enriching their knowledge of the linkages between place spirituality and well being while also providing a foundation for future research on place and its intersections with both spirituality and well being *Three Worlds of Collective Human Experience: Individual Life, Social Change, and Human Evolution* Victor N. Shaw,2018-08-22 This book explores three worlds shared by the humans in their collective experiences It identifies and explores the world of commonsense the world of religion and the world of science as three essential dimensions of human experience The book helps understand that humans can gain comfort and pleasure in commonsense achieve meaning and purpose from religion and attain truth and rationality through science It actively applies theories to and develops theoretical explanations from different domains or situations of human existence This book is of interest to theorists researchers instructors and students across major academic disciplines in the humanities and social sciences **Religion and the Individual** Abby Day,2016-04-08 What does religion mean to the individual How are people religious and what do their beliefs practices and identities mean to them The individual s place within studies of religion has tended to be overlooked recently in favour of macro analyses Religion and the Individual draws together authors from around the world to explore belief practice and identity Using original case studies and other work firmly placed in the empirical contributors discuss what religious belief means to the individual They examine how people embody what religion means to them through practice considering the different meanings that people attach to religion and the social expressions of their personal understandings and the ways in which religion shapes how people see themselves in relation to others This work is cross cultural with contributions from Asia Europe and North America **The Science of Religion, Spirituality, and Existentialism** Kenneth E. Vail III,Clay Routledge,2020-04-04 The Science of Religion Spirituality and Existentialism presents in depth analysis of the core issues in existential psychology their connections to religion and spirituality e g religious concepts beliefs identities and practices and their diverse outcomes e g psychological social cultural and health Leading scholars from around the world cover research exploring how fundamental existential issues are both cause and consequence of religion and spirituality informed by research data spanning multiple levels of analysis such as evolution cognition and neuroscience emotion and motivation personality and individual differences social and cultural forces physical and mental health among many others The Science of Religion Spirituality and Existentialism explores known contours and emerging frontiers addressing the big question of why religious belief remains such a central feature of the human experience Discusses both abstract concepts of mortality and concrete near death experiences Covers the struggles and triumphs associated with freedom self regulation and authenticity Examines the roles of social exclusion experiential

isolation attachment and the construction of social identity Considers the problems of uncertainty the effort to discern truth and reality and the challenge to find meaning in life Discusses how the mind developed to handle existential topics how the brain and mind implement the relevant processes and the many variations and individual differences that alter those processes Delves into the psychological functions of religion and science the influence on pro and antisocial behavior politics and public policy and looks at the role of spiritual concerns in understanding the human body and maintaining physical health *Religion and the Individual: Belief, Practice, and Identity* Douglas J. Davies, Michael J. Thate, 2018-07-05 This book

is a printed edition of the Special Issue Religion and the Individual Belief Practice and Identity that was published in Religions **Religious Experience and the Knowledge of God** Harold A. Netland, 2022-02-08 For many Christians personal experiences of God provide an important ground or justification for accepting the truth of the gospel But we are sometimes mistaken about our experiences and followers of other religions also provide impressive testimonies to support their religious beliefs This book explores from a philosophical and theological perspective the viability of divine encounters as support for belief in God arguing that some religious experiences can be accepted as genuine experiences of God and can provide evidence for Christian beliefs **Histories of Experience in the World of Lived Religion** Sari

Katajala-Peltomaa, Raisa Maria Toivo, 2022-03-17 At a historic moment when religion shows all its social and political strength in various post modern societies around our globe this fascinating collection of studies from the Middle Ages to twentieth century Europe demonstrates all the richness and innovative force of investigating individual and shared experiences when questioning the cultural political and social place of religion in society It also makes known in English the work of a series of Finnish historians elaborating together a pioneering vision of the notion of experience in the discipline of history Pirooska Nagy Universit du Qu bec Montr al Canada This open access book offers a theoretical introduction to the history of experience on three conceptual levels everyday experience experience as process and experience as structure Chapters apply experience to empirical case studies exploring how people have made and shared their religion through experience in history This book understands experience as a simultaneously socially constructed and intimately personal process that connects individuals to communities and past to future thereby forming structures that create and direct societies It represents the crossroads of a new field of the history of experience and an established tradition of the history of lived religion Chapters offer a longue dur e view from the fourteenth century heretics via experiences of miracle madness sickness suffering prayer conversion and death to the religious artisanship of soldiers in the Second World War frontlines It concentrates on Northern Europe but includes materials from Italy France and United Kingdom **Hispanic/Latino Theology** Ada María Isasi-Díaz, Fernando F. Segovia, 1996-01-01 U S Hispanic Latino voices have emerged in the last ten years to become one of the strongest and most creative theological movements in the Americas Fully ecumenical and organized in systematic collaborative framework this major volume features Hispanic theology s sources the Bible church history cultural memory
