The Plain Man Looks At The Apostles Creed:

The plain man looks at the Apostles' Creed William Barclay,1972 *The Plain Man's Look at the Apostles' Creed* William Barclay,1967 The Apostles' Creed William Barclay,2001-04-01 **Hell's Destruction** Catherine Ella Laufer,2016-04-22

The credal affirmation he descended to the dead has attracted a plethora of views over the centuries and many Christians today struggle to explain the meaning of these words This book explores various interpretations of the doctrine of Christ s descent to the dead both within particular historical contexts and within contemporary theology Laufer argues that the descensus clause Christ s descent is integral to Christian faith specifically to the doctrine of the incarnation If we are to affirm that in Christ God became truly human then that affirmation must include his sharing in the state of being dead that is the ultimate consequence of being human Laufer concludes that since the Son has experienced genuine human death and the separation from God which is the essence of hell there is no longer any human condition from which God is absent either in this life or in eternity Christ s descent means that he is truly hell s destruction Drawing on a treasure trove of writings from the western theological tradition including Luther Calvin Maurice Balthasar Moltmann and others and attending to historical theological exegetical philosophical and pastoral issues this book explores an often ignored doctrine which lies at the core of Christian life death and faith Time To Stand And Stare Martin G. Lewis,2019-10-03 Part meditation part travelogue and part literary analysis Time to Stand and Stare Meditations on a Mountain Path takes readers along on the author s physical and metaphorical exploration of Wales and the Apostle s Creed and the Beatitudes Follow one man s journey as he questions fundamental writings of his Christian faith How can modern Christians apply ancient creeds and gospel writings to the finite time with which we live One solution lies in answering the question what did the writings mean to those who originally wrote and read them A truly unique mixture of science poetry and faith this book is a delightful read from the first line to the final one The beginning pulls the reader in asking them to journey with the author on his trek alone over the beautiful Welsh hills and valleys These walks afford the reader the opportunity to meditate on the ways we can admire and inspire the beauty of nature and its relationship to our life journey *What Christians Believe* Anna Wierzbicka,2019-02-28 Many people today both Christians and non Christians are confused about or unaware of the essentials of Christian faith In this book Anna Wierzbicka takes a radically novel approach to the task of communicating what Christians believe to the widest possible audience The Story of God and People which is the heart of this book sets out the core tenets of Christian faith in narrative form using Minimal English It is accessible to anyone even those with no familiarity with Christianity or Christian vocabulary

The Apostles' Creed for Everyman William Barclay,1967 Dr Barclay explores each great affirmation from I believe in God to In the Life Everlasting in twenty one lucid chapters He concludes with a penetrating analysis of the relevance of the Apostles Creed in our modern world provided by the publisher My Name is John John Cree,2000 Having been a clergyman for thirty one years working in Britain and abroad John Cree has a comprehensive overview of changes which

have occurred throughout the latter part of the twentieth century He illustrates these changes by presenting two excerpts from his personal journals one from 1976 when he was working as a Methodist Missionary in Africa and the other from 1998 when he was working as a Vicar in an English Parish Alongside these two journal extracts the author presents the reader with two major theological works each written in the same period from which the journal extracts are taken With this material written twenty two years apart the author undertakes a case study in which social analysis and theological study are used as evidence to affirm the importance of Parish Ministry The importance of Community Mission and the Holy Trinity are seen as inter related elements in affirming the role of ordained and lay Ministry within the Church and community The author concludes by anticipating the future for grass roots Parish Ministry He affirms that the Preaching Pastoral and Priestly role will be as important in the future as has been the case in the past *Water & Blood* Phil Hinsley, 2014-10-23

What did he say He made himself equal with God This blasphemer must die There were many who heard what he said and stopped following him because his teaching was offensive to them Today many do not know what he actually said and often his words are ignored or misrepresented The history of the church is one of divisions over what he taught and many counterfeit accounts of his teaching have gained acceptance This account will surprise and perhaps even shock many What did he look like What did he teach about heaven and hell What happens to us when we die What day did he die on What caused his death What day did he rise from the dead Why will he return What was his message in one short sentence We have got it all wrong **What Did Jesus Mean?** Anna Wierzbicka, 2001 Linguist Anna Wierzbicka casts new light on the words of Jesus by taking her theory of universal human concepts and bringing it to bear on Jesus parables and the Sermon on the Mount Her approach results in strikingly novel interpretations
